Dear Town of Cortlandt Residents:

We thank all Town residents for their participation in our Refuse and Recycling programs. Your assistance makes it possible for the Town to reach the New York State and Westchester County Solid Waste Management goals.

During 2009, the Department of Environmental Services will continue the weekly refuse, paper recycling, commingled recycling and seasonal leaf and holiday tree collection programs, bulk trash routes collection program and tire recycling, and the "Clean Air Act" bulk and metal recycling programs. A spring organic collection will be added to the services in 2009.

The Town has recycling bins for sale (\$8.00 each) at our D.E.S./ Sanitation Office at (914-737-0100) or the Supervisor's Office at (914-734-1002). During the year 2009, we will continue efforts to enforce recycling participation. We appreciate your understanding and look forward to your cooperation in order that the Town can achieve the goal of increased recycling to meet our mandates, thereby protecting the environment for years to come.

Our Town is fortunate that we have our own Sanitation Division. Many communities must pay outside refuse companies. Our sanitation services are included in our tax structure and therefore our residents do not have that added expense.

REMEMBER TO RECYCLE AND THANK YOU!

Yours truly,

Linda D. Puglisi (handwritten signature)

SOLID WASTE COLLECTION

Welcome to the Town of Cortlandt, Sanitation Division. We provide town residents and businesses with curbside collections of refuse, bulk trash, recycling programs (paper, plastic, glass, metal, tire, electronics, freon, leaves and organic yard waste).

Because of the vast size of our town, we divide our 164 miles of roads into various zones and routes to more efficiently service the residents.

Garbage pickup follows two (2) routes. The northern end of town and Verplanck are serviced on Monday's, whereas the southern end of town is serviced on Tuesday's.

All town residents can expect to have their paper recycling picked up on Wednesday's and their co-mingle recyclables (glass, plastic and metal) on Thursday's. Any time there is a holiday in the regular garbage, paper and co-mingled week everything is moved back a day to provide regular services to everyone. (e.g. 4 day week – garbage – garbage – paper – co-mingled). However, during Holiday Weeks bulk pick up will not occur for that specific route until the next available month.

- Please check the monthly calendars on pages 12 13, 14 & 15.
- Or visit our website: www.townofcortlandt.com (click on departments)

THE TOWN OF CORTLANDT REQUIRES CONTAINERS ACCORDING TO THE FOLLOWING:

A watertight, non-rusting metal or plastic container of substantial construction with sloping side walls.

VOLUME OF CONTAINER NOT TO EXCEED 30 or 34 GALLONS AND A TOTAL WEIGHT NOT TO EXCEED SEVENTY (70) POUNDS.

The container should come with a tight fitting cover of the same material as the container with two (2) substantial handles. *The town shall not be responsible for breakage of plastic containers.* **NO bungee cords** attached to lids and containers allowed.

Securely tied plastic bags at least one and five tenth (1.5) mils thick, the weight of which does not exceed the ability of the bag to hold the material without breaking when picked up by the neck, may be substituted as a container.

PREPARATION FOR GARBAGE COLLECTION DAY

- All garbage must be drained and wrapped in paper or plastic bags before placing in the container.
- No garbage, rubbish, refuse or other waste matters may be put out before 7:00pm either on the preceding night, nor after 7:00am on the day of collection. Empty cans must be removed by sunset the day of collection. *(Summer hours 6:00am for months of July and August only).*
- No garbage, rubbish, refuse or other waste matters may be put out on the street in the business area on collection days before 7:00pm nor after 7:00am (July and August 6:00am).
- Brush pick up – see Highway information on page 22.

RECYCLING - THE ADVANTAGE

IT'S THE STATE AND LOCAL LAW

Recycling preserves the environment by decreasing the volume of waste that goes into the trash. Recycling saves natural resources. Introducing recycled materials into the manufacturing reduces consumption of scarce and expensive natural resources. Also, the increasing emphasis on recycling creates employment opportunities.

**Recycling will make the difference,
START TODAY – Don't throw away a good thing, RECYCLE!
Westchester County is asking all residents to comply with the Source Separation Law**

Begin by learning and practicing the three R's of Resource Recovery.
REDUCE-REUSE-RECYCLE!

REDUCE the amount of material requiring disposal:

- Buy products made from recycled and recyclable materials. Look for the three recycling arrows.
- Avoid over-packaged or disposable items.
- Buy products in bulk or economy sizes, which creates less packaging waste.
- Use cloth diapers instead of disposable ones.
- Control junk mail.

REUSE as much as possible:

- Purchase products in reusable containers.
- Reuse wrapping paper, plastic bags and boxes.
- Offer out-grown clothing, unwanted furniture and toys to friends or donate them to local charities.
- Pass along unwanted magazines and books to hospitals or nursing homes.
- Try having household appliances repaired before considering replacement.

RECYCLE as much as possible of what's left:

- Newspapers, magazines and corrugated cardboard – through the town's curbside program.
- Bulk metals through compliance with the Town Bulk Trash Collection regulations.
- The Town of Cortlandt is further divided into (4) separate routes for Bulk Trash Pick Up Days.
- Our brochure lists the roads associated with each route.

To find your route and the corresponding dates, please (see pages 16, 17, 18, 19, 20 & 21) for your street name and proper route schedule. **NOTE:** If your street is missing from the list, please call the Sanitation Office at (914) 737-0100.

If your bulk pick up is required on a day separate from a scheduled Friday, a special pick up can be arranged for a fee of \$20.00 depending on the volume of your bulk trash. For information and arrangement (see page (9) or call the Sanitation Division at (914) 737-0100.

**WESTCHESTER COUNTY WILL BE FINING COMMUNITIES THAT HAVE
A HIGH PERCENTAGE OF RECYCLABLE MATERIALS IN THEIR TRASH.
PLEASE HELP US BY RECYCLING!**

BULK TRASH COLLECTION

Curbside collection of Bulk Trash will be provided by the Cortlandt Sanitation Division according to the following guidelines and regulations. It is essential that all residents abide by these regulations in order for the Town to be able to maintain the bulk trash collection service.

- All items to be removed **MUST BE** placed at curbside no later than 7:00am on the Friday of scheduled pick up day.
- The Town of Cortlandt Municipal Code prohibits items or materials intended for bulk trash pick up from being placed at garbage site more than two (2) days prior to the first day scheduled for each section route pick up. Bulk Metals will be collected with your Bulk Trash and should be separated from bulk trash. Please refer to the Trash Collection Schedule listed with each route on (pages 12, 13, 14 & 15) of this booklet.
- **Contractors are required to haul away all remodeling debris.**
- **Violators are liable to a summons or fine.**

WHAT IS COLLECTIBLE? ITEMS TO BE COLLECTED FOR BULK TRASH INCLUDE, BUT NOT LIMITED TO THE FOLLOWING:

Furniture - Chairs, sofas, dressers, tables, file cabinets, mattresses, box springs, etc.

Carpeting - must be rolled and tied with heavy cord or duct tape in (3 feet wide x 9 feet length) the smaller the better for pick up.

Carpeting padding - must be rolled and tied or cut up and put into double plastic bags or box(s).

Wood/lumber - must be tied in bundles, nail free, and **MUST NOT** exceed 5 inches in diameter and 4 ft. in length. **Contractor responsibility to remove his construction debris.**

Branches - Please call the Highway Division at 737-0047 for chipper & curbside pick up.

Trash Cans - will only be removed when clearly marked "**please take me**" or "**to be removed**".

Paint Cans - such as water base or oil base **MUST BE EMPTY AND DRIED OUT:** After the paint is hard, put it out for bulk trash collection or garbage collection with the lid(s) off. **Do not include the empty can(s) with your recyclables. (See website for more information).**

Recyclable Bulk Metal Items Collected Includes:

Dishwashers	File Cabinets / Desks	Plumbing Pipe (4 ft. length)
Dryers	Water Heaters	Snow Blowers
Washing Machines	Aluminum Siding	Lawn Mowers/no gas/no tires
Stoves	Bicycles (tires removed)	Tire rims only - no tires
	Metal Fencing	Swing Sets
	(no cement bottoms)	(dismantled and no cement bottoms).

**AS SPECIFIED BY LAW – ALL DOORS MUST BE REMOVED FROM DISHWASHERS,
DRYERS, WASHING MACHINES, REFRIGERATORS, FREEZERS, ETC.**

HEATING UNITS:

- **BOILERS ONLY:** For Town disposal the unit must be free from oil (certified cleaning needed) and dismantled into 4 feet sections with **no rough and sharp edges.**
- **SPACE HEATERS:** The heaters must be free from kerosene, etc. for town disposal.

Propane Tanks: Size limited to 20 lbs. or home barbeque size only. The Tank **must be completely emptied** and the **entire center valve must be removed** to ensure that the tank is not under pressure. Empty tanks may be disposed on bulk trash pick up day. If your barbeque tank can be refilled, consider giving it to a neighbor or a friend to use.

E-WASTE RECYCLING - ELECTRONIC RECYCLING

NEW PROCEDURE

Computer Monitors	Computer Towers	Keyboards & Mouse
Faxes	Scanners	Printers
Copiers	TV's	VCR's
CD & DVD Players	Typewriters	Word Processors
Phones	Cell Phones	Alkaline batteries

Used CFL's – compact fluorescent light bulbs.

Small Appliances – microwaves, slow cookers, coffee makers, toasters, blenders, radios, stereos, speakers, lamps, can openers, mixers, juicers, items with an electric cord attached.

White Goods – washer, dryers, stoves, dish washers, refrigerators, freezers, air conditioners, humidifiers and dehumidifiers.

The above items can be dropped off at the Sanitation Division Site, 167 Roa Hook Rd. each Thursday during regular hours from 1-3pm and summer hours (July & August) from 12 to 2pm (excluding Holiday weeks).

OR by dropping them off on Westchester County Hazardous Clean Up Day or Town of Cortlandt E-Waste Drop-off Days (Sunday, April 19th and Sunday, September 26, 2009).

OR by a Special Pickup request for a fee of \$20.00 depending on volume. Send a note with your name, address, telephone number, type of E-waste and payment (cash, check or money order) to:

**TOWN OF CORTLANDT/SANITATION DIVISION
167 ROA HOOK RD, CORTLANDT MANOR, NY 10567-7340**

For directions or more information, call D.E.S./Sanitation Division Office (914) 737-0100 or e-mail at: sanitation@townofcortlandsdt.com

What is E-waste? E-waste is "electronic -waste" – products that are nearing the end of their "useful life." Many of these products can be reused, refurbished, or recycled.

Is E-waste Hazardous? Certain components of some electronic products contain materials that render them hazardous, depending on their condition and density. e.g., nonfunctional CRTs (cathode ray tubes) from televisions and monitors are considered to be hazardous waste and cannot be collected with your garbage or trash. **You must take them to drop-off at the Sanitation Division or if you cannot deliver your T.V. or computer screen, call DES at 737-0100 to schedule a pick-up. There will a fee of \$20.00 for all pick-ups.**

How to discards my electronics?

- Computers and electronic equipment do not belong in the incinerators or landfills.
- **REDUCE** through smart buying and good maintenance.
- **REUSE** still functioning electronic equipment by donating or selling it to someone who can use it.
- **RECYCLE** components that cannot be repaired by dropping them off at schedule recycling locations.

REMINDER: Many electronics products (computers, cell phones, PDAs, etc.) are used to store personal information. Before donating or recycling your equipment, remove all sensitive and personal information from its memory. Note that simply using your keyboard or mouse to delete files does not completely remove the information from your computer's hard drive. Local software store can provide you with the necessary drive cleaning software appropriate for your system.

RECYCLING NATURAL RESOURCES TAKES ONLY MINUTES A DAY,
SAVE YOUR DOLLARS AND OUR LANDFILLS.

RESIDENTS SPECIAL PICK-UPS

WHEN POSSIBLE SPECIAL PICK UPS, FREON, ELECTRONICS AND TIRE RECYCLING REMOVAL MAY BE ARRANGED THROUGHOUT THE YEAR FOR A FEE PER PICK UP.

- No scheduling during holiday weeks and during the months that have a 5th Friday.
- Arrangements and payment in person at the Supervisor Office, the Sanitation Division or by mail (cash, check or money order) **no credit cards.**

After payment is received at the Sanitation Office, A Sanitation representative will notify you of your scheduled pick up date. **The items must be out by Wednesday morning and will be picked up Wednesday, Thursday or Friday depending on manpower. No pick ups during holiday weeks or the months with a 5th Friday.**

SPECIAL PICK UP REQUEST PROGRAM:

- If you desire not to wait for your next scheduled bulk trash pick up, when possible pick ups may be arranged throughout the year for a fee of \$20.00 per pick up (depending on volume of trash – 2 sq. yards or less).
- Regulations are the same as for Bulk Trash Collection.

THE CLEAN AIR ACT: Prohibits venting ozone depleting compounds into the atmosphere. Freon, which is one of those compounds and is used as a refrigerant in **REFRIGERATORS, FREEZERS, AIR CONDITONERS and DEHUMIDIFIERS**, must be removed from these items prior to disposal as scrap metal.

APPLIANCE REMOVAL CHOICES:

- Freon items must be discarded separate from regular trash.
- Freon removal pick ups may be arranged throughout the year for a **fee of \$15.00 per unit.**
- **Refrigerators and freezers must have doors removed.**
- Have old appliance removed by company supplying new one.
- Contact a licensed contractor to remove the freon and/or appliance.
- Contractor must affix county sticker that indicates freon has been removed.
- A fluorescent orange sticker will be issued to residents per unit upon receipt of payment. Freon units will only be picked up after sticker is attached to each unit and out at curbside on your scheduled pick-up date.

TIRE RECYCLING:

- > The Town of Cortlandt will pick up and recycle tires up to 16" rims. (Limit 8 tires per household) for a small fee (\$1.00 without rims and \$3.00 with rims) and by arrangement only.
- > Please remove rims for a reduction in the fee and recycle with your bulk trash.
- > A fluorescent red (without rim) or fluorescent yellow (with rim) sicker will be issued per tire upon receipt of payment. Tires will only be picked up after the sticker is attached to each tire and out at curbside on your scheduled pick up date.

**Send a note with your name, address and telephone number and type of request and payment to: TOWN OF CORTLANDT- D.E.S./SANITATION DIVISION
167 ROA HOOK RD., CORTLANDT MANOR, NY 10567-7340**

NOTICE: RESIDENTS MAY OBTAIN A SPECIAL SERVICE REQUEST ORDER FORM BY VISITING OUR WEBSITE: (www.townofcortlandt.com) BY CLICKING ON FORMS & DOWNLOADS – SCROLL DOWN TO SANITATION DIVISION AND CLICK ON SERVICE REQUEST – RESIDENTIAL SPECIAL SERVICE REQUEST ORDER FORM.

ORGANIC YARD WASTE

LEAVES – CHRISTMAS TREES – COMPOSTING

NEW SERVICE:

SPRING ORGANIC YARD WASTE COLLECTION

- Yard Waste must be **bagged in brown bags** or loose in a garbage container and left at curbside.
- Yard Waste **must not** be placed at the curb in black plastic bags or mixed with garbage.
- Plastic bags are not acceptable.

COLLECTIONS WILL BEGIN IN MID-APRIL, WEATHER PERMITTING, UNTIL MID-MAY ACCORDING TO AVAILABLE STAFF IN THE SANITATION DIVISION.

Fall leaves are a mandated recyclable.

Leaves **must be put in large brown bags** only (**NO PLASTIC BAGS ALLOWED**) and placed at the curbside **away from garbage site**, so they will not be taken by mistake. **We do not vacuum leaves.**

Leaves only will be collected starting in early November to December 14, 2009. Leaves will be picked up according to available staff in the Sanitation Division.

Not Collected: loose leaves, bags with branches or other yard organics.

LEAVES ONLY ARE ACCEPTABLE!

Christmas Trees will be chipped and collected during the month of January. Place trees at curbside and will be collected (between Wednesday to Friday) according to available man power at the sanitation division. **Trees with trimmings, lights, metal wires, nails, etc. and placed in plastic bags or wrappings will not be collected (not acceptable).**

BACKYARD COMPOSTING:

Compost is a dark, crumbly and earthy-smelling form of decomposing organic waste that can be used to enhance everything you grow. By using compost, you return organic matter to the soil in a usable form. Soil with compost added holds more nutrients and water. Improves soil structure and drainage and enhances plant growth. Yard Waste such as, fallen leaves, grass clippings, weeds and remains of garden plants, kitchen waste, such as salad greens, vegetable & fruit peelings and coffee grinds makes excellent compost.

For a free brochure on grass recycling and composting, backyard composting please call the Sanitation Division at (914) 737-0100 or visit website: www.westchestergov.com/recycling or call the Westchester County Recycling Help-line at (914) 813-5420

D.E.S./HIGHWAY DIVISION - 8th STREET GARAGE

140 Eight Street, Verplanck, NY 10596

Phone: (914) 737-0047 Fax: (914) 737-1945

KATHLEEN BURLESON DIRECTOR OF D.E.S.
SAM CARCOVA WORKING SUPERINTENDENT HIGHWAY

D.E.S./HIGHWAY DIVISION IS RESPONSIBLE FOR PROVIDING ROAD MAINTENANCE AND REPAIR SERVICES ON TOWN ROADS.

THESE SERVICES INCLUDE THE FOLLOWING:

- Snow plowing and sanding/salting
- Town sidewalk maintenance
- Town Drainage systems maintenance
- Asphalt patching and repair
- Street light repair and maintenance
- Traffic light repair and maintenance
- Residential brush pick up (**listed below**)
- Guide rail installation & maintenance
- Sign Installation
- Roadside tree work

At the Department of Environmental Services, we are always looking to move ahead and do our best to provide services to our residents. Please call or E-mail us with your concerns and suggestions.

- ◆ Telephone answering system-lets you leave messages after our regular work hours (3:30pm - 8:00am).
- ◆ Website address-computer users can contact us directly at: <http://townofcortlandt.com> (click on departments) or e-mail: christina@townofcortlandt.com to report potholes, street light outages, brush pick ups, etc.
- ◆ We are using a salt and magnesium chloride mix for snow operations, this results in less sand clean up in streets and catch basins.

BRUSH PICK UP POLICY: TREE LIMBS AND CUT SHRUBBERY MAY BE PLACED AT CURBSIDE FOR COLLECTION. THE REQUIREMENTS ARE AS FOLLOWS:

- Only branches 4-6 inches in diameter (butt end of branches facing the road).
- **NEATLY** stacked at roadside. **DO NOT BUNDLE, TIE OR USE WIRE.**
- Brush **should be 8 to 10 feet long** to go into chipper.
- We **DO NOT** accept logs, stumps, lumber, railroad ties, building materials or dead wood.
- **NO** bundled brush (no string or wire).
- Any brush smaller than 4 ft. long should be placed in biodegradable bags for sanitation removal during Spring and Fall Organic Recycling Programs.
- **NO commercial debris removal.**

WINTER WEATHER ADVISORY

REMINDERS:

The Town of Cortlandt is an area that on AVERAGE can experience annual snowfall of 35 inches. There are 16 snow routes that include 164 miles of town roads. These routes include the major collector and connector roads to the State System, as well as secondary residential roads. Each of these routes is assigned one heavy plow truck with spreader and one small pickup truck with plow. Winter road safety is professionally managed 24/7 by town staff within our natural constraints of weather predictions and resources.

During any large weather event, please be patient! The desired outcome and goal of any winter weather event, is to provide a safe and clear travel way for the motoring public. The first priority of the Town is the major collector and connector roads with the second priority being the residential areas.

IMPORTANT SEASONAL PARKING: No vehicle shall be placed on any Town streets, highways or roads between the hours of Midnight (12:00am) and 7:00am on any day during the period of NOVEMBER 15TH to APRIL 15th. In addition, parked vehicles will be ticketed during all snow removal operations, regardless of the hour.

OBSTRUCTION OF SNOW REMOVAL EQUIPMENT AND OPERATIONS:

It shall be unlawful to hinder or obstruct any vehicle or equipment in the operation of snowplowing, ice control or snow removal and hauling on the Town streets, highways or roads.

"UNSAFE BEHAVIOR"

Please **DO NOT** shovel or push or plow snow onto roadways that have been plowed and treated. You are creating a hazard to the traveling public.

IMPORTANT NOTICE: Illegal dumping is punishable by an additional **MANDATORY FINE**. Illegal dumping of **HAZARDOUS WASTE** is also punishable by an additional mandatory fine. These fines do not include clean up charges. If you witness illegal dumping, please contact the State Police at (914) 737-7171 or the Westchester County Police and the Dept. of Public Safety at (914) 864-7700. Please provide the license plate number and a description of the driver and vehicle that is illegally dumping.

DEAD ANIMAL CONTROL:

Contact D.E.S./Highway Division at (914) 737-0047 for the removal of dead animals from the town roadways. **We do not pick up animals on private property that is the property owner's responsibility. During weekends, please call the Police for removal from public roadway. They will contact the appropriate persons.**
