MS4 Municipal Compliance Certification(MCC) Form

MCC form for period ending March 9, 2 0 2 2

Name of MS4 TOWN OF CORTLANDT

SPDES ID

N Y R 2 0 A 1 8 1

Section 2 - Contact Information

Important Instructions - Please Read

Contact information must be provided for each of the following positions as indicated below:

1. Principal Executive Officer, Chief Elected Official or other qualified individual (per GP-0-08-002 Part VI.J).
2. Duly Authorized Representative (Information for this contact must only be submitted if a Duly Authorized Representative is signing this form)
3. The Local Stormwater Public Contact (required per GP-0-08-002 Part VII.A.2.c & Part VIII.A.2.c).
4. The Stormwater Management Program (SWMP) Coordinator (Individual responsible for coordination/implementation of SWMP).
5. Report Preparer (Consultants may provide company name in the space provided).

A separate sheet must be submitted for each position listed above unless more than one position is filled by the same individual. If one individual fills multiple roles, provide the contact information once and check all positions that apply to that individual.

If a new Duly Authorized Representative is signing this report, their contact information must be provided and a signature authorization form, signed by the Principal Executive Officer or Chief Elected Official must be attached.

For each contact, select all that apply:

- ☒ Principal Executive Officer/Chief Elected Official
- ☐ Duly Authorized Representative
- ☐ Local Stormwater Public Contact
- ☐ Stormwater Management Program (SWMP) Coordinator
- ☐ Report Preparer

4. Evaluating Progress Toward Measurable Goals MCM 1

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Storm water educational material is made available on the Town's Website along with the annual MS4 report. Public notices to upcoming Town events such as Community Day are also posted. Literature is distributed at these events. Storm water information is included in the recreational brochures which were mailed twice this year to all 15,000 plus parcels.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

Staff believes the mailings and public outreach has helped to reduce the use of fertilizers and limit pollutants entering storm water conveyance, streams and wetlands.

C. How many times was this observation measured or evaluated in this reporting period?

		0	2
--	--	---	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this Measurable Goal during this reporting period?

☒ Yes ☐ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

☒ Yes ☐ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

Continue to utilize all public forums including Town Board, Planning Board, Zoning Board and related environmental committees - as well as events like Family Fun Day, Summer Concert Series as opportunities for public outreach and education. Targeted mailings are sent annually to the two watersheds of impaired water bodies. Grants are being sought to continue water quality monitoring of impaired water bodies.

7. Evaluating Progress Toward Measurable Goals MCM 2

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMP in this reporting period.

Continue to solicit public input to all proposed development in Town with a focus on stormwater management with enforcement of applicable Town Code. Continue to educate on best management practices in general and provide literature online and at community events. Town applied for numerous NYSDEC Water Quality grants

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

Solicitations regarding development applications occur throughout the year. Developers / Contractors are filing more environmental permit applications. We have seen greater public involvement at Planning Board meetings regarding drainage/stormwater erosion. We have also seen more interest from targeted audiences like home owners and real estate agents in making sure prospective purchasers understand the importance of storm water management.

C. How many times was this observation measured or evaluated in this reporting period?

		1	2
--	--	---	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?
☒ Yes ☐ No
E. Is your MS4 on schedule to meet the deadline set forth in the SWMP?
☒ Yes ☐ No
F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

Utilizing a direct mailing, we plan to target specific audiences living in the watershed areas around our two 303d/TMDL impaired waters (Lake Meahagh / Wallace Pond)and alert them to storm water awareness - particularly phosphorus use. In addition we continue to have 2 pages of our Recreation Brochure (which is mailed to every household) dedicated to storm water awareness and best practices.

12. Evaluating Progress Toward Measurable Goals MCM 3

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Staff responsiveness to illicit discharge have improved by coordinating inspections between various departments. Individuals who have been cited for an illicit discharge are provided guidance on remediation methods.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

Improved reporting and inspection by Town staff have led to illicit discharges being corrected swiftly. A majority of complaints are due to rain water runoff improperly being directed to right-of-ways or catch basins without proper approval. Continued outreach has educated the public and contractors to avoid these issues.

C. How many times was this observation measured or evaluated in this reporting period?

		1	2
--	--	---	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?

☒ Yes ☐ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

☒ Yes ☐ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

Continued public outreach and direct mailings to the Town's impaired water bodies. Continued staff training, coordination with field crews (highway) and improved response to complaints. Increase inspection of active sites to pro-actively address potential concerns. A renewed emphasis is being placed on outfall inspection and mapping. Treatment of Lake Meahagh to eliminate invasive species.

Minimum Control Measures 4 and 5.
Construction Site and Post-Construction Control

The information in this section is being reported (check one):

- ☒ On behalf of an individual MS4
☐ On behalf of a coalition

How many MS4s contributed to this report?

--	--	--

1a. Has each MS4 contributing to this report adopted a law, ordinance or other regulatory mechanism that provides equivalent protection to the NYS SPDES General Permit for Stormwater Discharges from Construction Activities? ☒ Yes ☐ No

1b. Has each Town, City and/or Village contributing to this report documented that the law is equivalent to a NYSDEC Sample Local Law for Stormwater Management and Erosion and Sediment Control through either an attorney certification or using the NYSDEC Gap Analysis Workbook? ☒ Yes ☐ No ☐ NT

If Yes, Towns, Cities and Villages provide date of equivalent NYS Sample Local Law.

☐ 09/2004 ☒ 03/2006 ☐ NT

2. Does your MS4/Coalition have a SWPPP review procedure in place? ☒ Yes ☐ No

3. How many Construction Stormwater Pollution Prevention Plans (SWPPPs) have been reviewed in this reporting period?

	0	1
--	---	---

4. Does your MS4/Coalition have a mechanism for receipt and consideration of public comments related to construction SWPPPs? ☒ Yes ☐ No ☐ NT

If Yes, how many public comments were received during this reporting period?

		0
--	--	---

5. Does your MS4/Coalition provide education and training for contractors about the local SWPPP process? ☒ Yes ☐ No

6. Identify which of the following types of enforcement actions you used during the reporting period for construction activities, indicate the number of actions, or note those for which you do not have authority:

<input checked="" type="radio"/> Notices of Violation	#	<table border="1"><tr><td></td><td></td><td></td><td></td><td>3</td></tr></table>					3	<input type="radio"/> No Authority

7. Evaluating Progress Toward Measurable Goals MCM 4

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Routine construction site inspections are required for all projects which require a SPDES Stormwater Permit for Construction Activities.

Staff regularly monitors all active construction sites. Depending on activity levels daily inspections are performed.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

Over time we have seen improved erosion control measures. More timely inspections by contractors and project managers & overall improved site conditions.

Multiple SWPPPS were approved in accordance with the SPDES Storm Water Permit for Construction Activity in this reporting period.

C. How many times was this observation measured or evaluated in this reporting period?

		2	4
--	--	---	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?

☒ Yes ☐ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

☒ Yes ☐ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

Pre construction meeting with contractors on all projects requiring the implementation of SWPPP. Review active projects during weekly, monthly staff meetings. Contractors are required to follow SPDES regulations for erosion control inspections. In addition the Town supplements inspections on active construction sites requiring SWPPPS.

6. Evaluating Progress Toward Measurable Goals MCM 5

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

The Town is continuing to re-inventory all storm water best management practices. Inspection efforts have increased. The Town is proceeding with a digital construct maintenance program that links to our Town GIS database. Town has implemented a Work Order Management System in which BMP inspections are included.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

Reduction in the number of erosion complaints to various departments including Code Enforcement, Highway, Engineering. Proactive inspection of BMPs to ensure they are functioning as intended.

C. How many times was this observation measured or evaluated in this reporting period?

		1	2
--	--	---	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?

☒ Yes ☐ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

☒ Yes ☐ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

Town holds security until all post-construction measures are completed for a period of 2 years from final acceptance. Update BMP inspection protocol and continue scheduling annual inspections Continue Inter Departmental coordination between Highway and Engineering with respect to MS4 compliance.

Minimum Control Measure 6. Stormwater Management for Municipal Operations

The information in this section is being reported (check one):

- ☒ On behalf of an individual MS4
☐ On behalf of a coalition

How many MS4s contributed to this report?

--	--	--

1. Choose/list each municipal operation/facility that contributes or may potentially contribute Pollutants of Concern to the MS4 system. For each operation/facility indicate whether the operation/facility has been addressed in the MS4's/Coalition's Stormwater Management Program(SWMP) Plan and whether a self-assessment has been performed during the reporting period. A self-assessment is performed to: 1) determine the sources of pollutants potentially generated by the permittee's operations and facilities; 2) evaluate the effectiveness of existing programs and 3) identify the municipal operations and facilities that will be addressed by the pollution prevention and good housekeeping program, if it's not done already.

<u>Operation/Activity/Facility</u>	<u>Addressed in SWMP?</u>	<u>Self-Assessment Operation/Activity/Facility performed within the past 3 years?</u>

7. Evaluating Progress Toward Measurable Goals MCM 6

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Catch Basins are cleaned annually along with necessary repairs. Sumps are vacuumed cleaned and sidewalls and tops are repaired as necessary. Staff is focusing on all catch basins throughout the Town with emphasis on catch basins within the EOH watershed area.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

Less cleaning required. Vactor truck is significantly reducing time spent on clean out which allows for catch basins to be cleaned more frequently.

C. How many times was this observation measured or evaluated in this reporting period?

		1	5
--	--	---	---

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?

☒ Yes ☐ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

☒ Yes ☐ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

Continue catch basin and road sweeping protocols. Add an additional training event. Update WebGIS storm water conveyance.

Christina Edwards, Deputy Director - DES/Admin.

GENERAL INFORMATION

DEPARTMENT OF ENVIRONMENTAL SERVICES - SANITATION DIVISION (914) 737-0100 or
www.townofcortlandt.com/sanitation

The Department of Environmental Services provides curbside collection of bulk trash, recycling (paper, plastic, glass, metal), special pick up (tires, Freon, and special bulk), bulk collection, e-waste drop off and organic waste. The Town is divided into various zones and routes to more efficiently service the residents.

Solid Waste Collection (Household Garbage)

- Garbage collection in the Town is divided into two routes. The northern end of Town and Verplanck are generally picked up on Monday and the southern end of Town is serviced on Tuesday. An alphabetical list is included in this brochure indicating a Monday or Tuesday garbage route. Paper is picked up Town wide on Wednesday and Commingle is picked up Town wide on Thursday.
- Garbage containers must not exceed 45 gallons or a total weight of 70 pounds. Oversized cans will not be picked up. (See new regulations on page 10)
- The garbage containers must have a secure cover with 2 substantial handles. Bungee cords pose a hazard to Town workers and are not permitted.
- Secure garbage bags (that do not break when picked up) can be placed curbside. The Town is not responsible for breakage or loss of garbage cans.
- Garbage must be curbside before 7:00 a.m. (6:00 a.m. from June 1st to September 3rd) the day of pick up or can be put out the night before.
- When a holiday falls in a week, all services will be moved forward one day.
- During snow events, garbage collection may be canceled. When that occurs, the schedule will shift. Always check our website for updates.

2021 holidays are as follows: New Years Day, Martin Luther King Jr. Day, President's Day, Good Friday, Memorial Day, Independence Day, Labor Day, Columbus Day, Election Day, Veteran's Day, Thanksgiving, and Christmas.

The Sanitation Division works summer hours from
June 1st to September 3rd. Please have all items
curbside by 6:00 a.m.

PAPER, COMMINGLE & ORGANIC RECYCLING

TOWN OF CORTLANDT CURBSIDE RECYCLING PROGRAM

Westchester County asks all residents to comply with its Source Separation Law and recycle

<http://environment.westchester.gov.com/laws/source-separation-law>

PAPER RECYCLING

Curbside paper recycling takes place town wide on Wednesday (except when there is a holiday on Monday or Tuesday, see calendar for details). Please place items in a recycling container or in a paper bag or cardboard box. Any paper placed in a plastic bag will not be picked up. The following items must be recycled:

- Newspaper and glossy inserts
- Magazines
- Junk mail
- Telephone books
- Office paper
- Corrugated cardboard
- Grey cardboard (i.e. tissue box)
- Shredded paper
- Gift wrap paper

We **DO NOT** recycle paperback or hard-cover books, waxed paper, paper stained by food (i.e. pizza boxes), plastic and Styrofoam packing material. These items should be placed in the garbage.

COMMINGLED RECYCLING

Commingle is picked up town wide on Thursdays (except when there is a holiday then it will be picked up on Friday, see schedule for details). Any commingled items in a plastic bag will not be picked up. The following items must be recycled:

Metal

- Food and beverage cans (rinse cans but you do not have to remove labels)
- Empty aerosol cans (empty through normal use)

Plastic

Containers marked 1 through 7 on the bottom

- Milk, juice and water bottles
- Shampoo and detergent containers
- Soda bottles (discard cap in the trash)
- Gable-top refrigerated cartons (milk, juice, soup)
- Ice cream cartons

Glass

- Clear, green or brown glass jars of any size

Do Not Recycle the Following

Metal

- Empty motor oil cans
- Kitchen utensils/cookware
- Paint can (empty/dried out cans can be placed with regular garbage)
- Hangers
- Scrap Metal
- Any container that held hazardous material

Plastic

- 5 gallon plastic pails
- Flower pots
- Plastic shopping bags
- Toys
- Packing material

Glass

- Light bulbs
- Drinking glasses
- Mirrors or windows

ORGANIC RECYCLING

Organic Yard Waste

The Town has established regular pick up routes for organic yard waste. Please see the schedule for details. Yard waste will be picked up town wide on these dates. Yard waste must be placed in brown biodegradable bags or loosely in garbage cans. Plastic bags cannot be composted. Organic waste in plastic bags **WILL NOT** be picked up. If no organic pick up is imminent please call 914-737-0100 to be added to the waiting list. The County is encouraging residents to participate in the Love 'Em and Leave 'Em mulching in place initiative. Please visit <http://www.leleny.org/> for more information.

Christmas Trees

Christmas trees will be collected Friday January 15th. Place your tree curbside free of all trimmings, lights, nails etc. Trees placed in plastic bags **WILL NOT** be picked up. To schedule a tree pick-up on another day please call 914-737-0100.

ORGANIC (CONT), E-WASTE & BULK TRASH

Brush Pick Up

Call the Sanitation Division at (914) 737-0100 to schedule a brush pick up.

Requirements include the following: Only branches 6 inches in diameter or less can be chipped. Brush must not exceed 10 feet long. Branches should be stacked neatly roadside with butt ends facing roadway. Do not tie or bundle the branches. We do not chip logs, stumps, lumber, railroad ties, building materials, dead wood, vines or brush with root balls attached. Brush service is not available for whole tree takedowns or wooded lot clean up. We reserve the right to refuse pick up if guidelines are not followed. Any brush smaller than 4 feet long should be bundled and tied and placed out for organic yard waste pick on the scheduled day.

No commercial debris removal. When hiring a contractor for yard work they are responsible for removing all debris (per Town Code).

THE TOWN DOES NOT SCHEDULE BRUSH PICK UPS IN JANUARY OR FEBRUARY

Composting

Yard waste such as fallen leaves, grass clippings, weeds and remains of garden plants along with organic kitchen waste make excellent composting materials. For more information on composting visit the Westchester County website at <http://cwmi.ces.cornell.edu/composting.htm#smallcomposting>

2021 Organic Yard Waste Schedule

Yard waste placed in biodegradable bags and placed curbside will be picked up Town wide on the following days

March 12	August 20 *
April 9	September 24
May 7	October 29
June 11	November 19
July 16	*Subject to change

If no organic pick up is imminent please call 914-737-0100 to be added to the waiting list.

E-WASTE

Best Buy Electronics Recycling Program

Best Buy will recycle any electronics regardless of where the item was purchased. Some fees may apply.

<http://www.bestbuy.com/site/Global-Promotions/Recycling-Electronics/pemcat149900050025.c?id=pemcat149900050025&pageType=REDIRECT&issolr=1&searchRedirect=recycle>

E-WASTE

E-Waste is electronic waste. Certain components of some electronic products contain materials that render them hazardous. Some examples of E-Waste products include; computers, chargers, printers, shredders, fax machine, copiers, CD/DVD players, phones, answering machines, video game systems, cable wires, TVs, cell phones, microwaves, radios, speakers, digital cameras, GPS units.

There are 4 ways to dispose of E-Waste

- Drop these items off at Buchanan DPW garage at 218 Westchester Avenue Mon – Fri 7am – 3pm. Canister is by the baseball field in the back of the property.
- Best Buy Electronics Recycling Program (see link)
- Arrange for a special pickup (Fee required)
- Contact the Westchester County HMRF to schedule an appointment at (914) 813-5425 for further details.

Many electronic items contain personal sensitive material. Please remember to remove all personal information from items before recycling.

****Televisions and E-Waste items must be dropped off at 218 Westchester Avenue or must be paid for as a Special pick up. They WILL NOT be picked up on Bulk days.***

Batteries

Please visit the following link for information on battery recycling

<http://environment.westchester.gov/residents/recycling-guidelines/household-batteries>

BULK TRASH COLLECTION

Bulk pick up is scheduled by 3 routes in the Town and picked up on Fridays. All routes are listed in the back of this brochure or you can visit our website at www.townofcortlandt.com/sanitation or call the office at (914) 737-0100. Items for bulk collection must be placed curbside no later than 7:00 a.m. the morning of pick up (6:00 a.m. summer hours). Items can't be placed out more than 2 days before pick up.

NEW REGULATION – All mattresses and box springs out for disposal **MUST** be placed in sealed plastic bags. Bags can be purchased at your local hardware store or online.

BULK (CONT), SPECIAL SERVICES & WESTCHESTER COUNTY RECYCLING

Items that can be placed out for bulk pick up *include*: furniture, carpeting and padding (cut in 3 x 9 length or smaller and taped), trash cans clearly marked as trash, dishwashers, dryers, washing machines, stoves, file cabinets, desks, water heaters, aluminum siding, bicycles, metal fencing (no cement bottoms), plumbing pipe (4 feet lengths), snow blowers, lawnmowers (no gas or oil), swing sets (dismantled with no cement bottoms), Heating units must be free of oil (certified cleaning required), space heaters (free of kerosene) and propane tanks (must be completely empty with entire center valve removed). For pull out couches the frame must be removed before placing curbside. Items not picked up *include* railroad ties, pianos, logs, concrete, hazardous materials and C&D.

General Rule of Thumb: pile should be able to fit in the back of a pick up truck. Larger piles may be subject to additional fees.

ALL METAL PRODUCTS MUST BE PILED SEPARATELY FOR PICK UP AS THIS MATERIAL IS RECYCLED

CONSTRUCTION DEBRIS WILL NOT BE ACCEPTED

2021 Bulk Schedule is as follows:

Route 1 Pick Up Fridays

- January 8
- February 12
- March 19
- April 23
- May 21
- June 25
- July 30
- **August 27 ***
- October 1
- December 3

Route 2 Pick Up Fridays

- January 29
- February 26
- March 26
- April 30
- May 28
- July 2
- **August 6 ***
- September 3
- October 8
- December 10

Route 3 Pick Up Fridays

- February 5
- March 5
- April 16
- May 14
- June 18
- July 23
- **August 13 ***
- September 17
- October 23
- December 17

***Subject to change please check website or call for updates**

SPECIAL SERVICES (FEE REQUIRED)

Special Bulk Pick-ups – Items containing Freon, tires, and electronics can be picked up for a fee through the Sanitation Division. Please mail payment to Town of Cortlandt - Sanitation Division, 167 Roa Hook Rd, Cortlandt Manor, NY 10567 and include your phone number. A pick up date will be provided along with instructions and a special sticker if required. The Town does not take credit card payments.

Special bulk pick-ups – Cost \$30.00 and follow the same guidelines as our regular bulk pick up

Freon – Any items containing Freon such as refrigerators, freezers, air conditioners and dehumidifiers require a special pick up. The cost is \$10.00 and a special sticker is required. Reminder all doors must be removed as required by law.

Tires – The Town will recycle tires up to 16" rims. Limit 8 tires per household per year. The cost is \$5.00 without rims and \$10.00 with rims. Special stickers are required for pick up.

E-Waste – A \$15.00 fee is required for each television. All other e-waste items require a \$5.00 fee per item.

2021 WESTCHESTER COUNTY RECYCLING

The Town never picks up hazardous waste. Westchester County has a drop off location in Valhalla. You must call (914) 813-5425 to make an appointment or go online to

www.westchester.gov/rec_cling for more details.

Highway & Water Divisions

HIGHWAY DIVISION

140 8th Street, Verplanck, NY 10596
(914) 737-0075

Services provided by the Department include the following:

- Snow plowing and salting
- Sidewalk Maintenance
- Town Drainage systems - please do not dump yard waste (including grass clippings and branches) near any drainage ditch or piping.
- Asphalt patching and repair (to report a pothole please call the Highway Department)
- Street light/Traffic signal repair (When calling to report a street light please try to obtain a pole #)
- Guiderail installation/repair
- Sign maintenance
- Roadside tree removal (Tree removal from private property is not included in this service)
- Dead animal removal (We do not remove animals from private property. On weekends please contact the Police)
- Call the Sanitation Division to schedule a brush pick up (914) 737-0100
- Any work performed in the Town Right of Way requires a permit. Please contact (914) 737-0100 for more information on a Road/Utility Permit.

REMINDER

Town Ordinance requires that no vehicle be placed on any Town streets, highway or roads between the hours of Midnight and 7:00 a.m. any day during the period of November 15th through April 15th. In addition, parked vehicles will be ticketed during all snow removal operations regardless of the hours.

Please be patient during snow removal operations and do not shovel or plow snow into roadways as it creates a hazardous condition and violates NYS Highway Law.

**Illegal Dumping is Punishable by a
Mandatory Fine
(Minimum Fine \$250.00)
Please call Code Enforcement at
(914) 734-1010 to report any illegal dumping**

**Please Note: Construction and Tree
Planting is not Permitted in a
Town Right-of-Way**

WATER DIVISION

The Town of Cortlandt Water Department has relocated to 137 7th Street Verplanck, NY 10596

For Billing Questions Please Call
(914) 737-7676

For Maintenance Issues Please Call
(914) 734-1026

**After Hours Water Emergency ONLY Call
1-845-278-5016 (water answering service)**

The Water Division maintains over 1,500 hydrants throughout the Town. During snow storms please clear any hydrants near your property when possible.

Stormwater
Solutions to the Pollution
Easy things you can do every day to protection our water

Stormwater is water from rain or melting snow that flows from rooftops, paved areas and lawns that doesn't soak into the ground but runs off into waterways.

As it flows, stormwater runoff collects and transports soil, animal waste, salt, fertilizers, oil and grease, pesticides, litter and other potential pollutants. This pollution can enter groundwater, streams, lakes, ponds and river and can even affect the quality of our drinking water.

Increases in impervious surfaces cause more stormwater runoff. Because less water is soaking in, flooding can become more frequent and more destructive.

The Town of Cortlandt is a regulated Storm system community and has enacted updated Town ordinances governing stormwater.

Lawn Care

Most lawns tested in Westchester County did NOT need more phosphorus. If you must fertilize, use phosphorus-free fertilizer (where the middle number on the bag is zero). Excess fertilizer flows into streams, lakes, rivers and reservoirs, where it can degrade drinking water, lead to algae and plant growth and contribute to fish kills. Don't fertilize when rain is expected. Leave grass clippings on the lawn to recycle nutrients. More information on lawn care is available in the Town of Cortlandt Sanitation Website.

Septic System Maintenance

Failing septic systems can contaminate groundwater, drinking water and surface flows. Most of the Town of Cortlandt is serviced by individual septic systems. These septic systems should be pumped and inspected regularly. Do not pour chemicals, paints, fats, or excess medications down your pipes. Driving on or parking on septic fields may damage them.

Scoop the Poop

Please pick up after your dog or cat. It doesn't matter the size of the animal – all animal waste has an impact. Animal waste is easily carried by runoff, washing off roads and lawns. Pet waste contains harmful bacteria and phosphorus that can promote the growth of weeds, and algae. Scoop the poop and dispose of pet waste in the garbage.

Only Rain down the Drain

All our storm drains lead eventually to someone's drinking water. Don't dispose of waste down the drain or into any of the ditches, swales, street drains or stormwater outfalls that convey stormwater.

Landscaping Helps

Keep vegetation and organic material on the soil, especially on slopes. Landscape to limit the steepness or length of slopes. Build a buffer of vegetation by watercourses to help filter sediment. Replace the lawn at water's edge with shrubs, hedges or trees. Anything that slows the flow of water will help give time for the pollution to be removed.

Care for your Car

Little drops of oil and gas add up. One pint of oil can cause an oil slick the size of a football field. Take used motor oil to gas stations. NEVER pour it down the drain. Take other fluids to approved recycling locations. More information about this is in the Town of Cortlandt Sanitation Website. Use saw dust or kitty litter to clean up leaks and spills in your driveway. Wash your car on your lawn if possible to capture runoff.

Reporting Stormwater Polluters

Your actions or the action of your neighbor can affect water resources. We are all downstream of someone. No polluted water should be allowed to go into our stormwater system. If you notice pollution of Stormwater you can report the details to the Town of Cortlandt Stormwater Hotline at (914) 734-1060.

Cortlandt's Stormwater Hotline (914) 734-1060

WHAT IS VOYENT ALERT!?

Voyent Alert! is a multi-purpose communication service provided by the Town of Cortlandt to keep you informed of critical events like fires or floods as well as day-to-day communications such as road maintenance and closures, water advisories, etc.

**NOTIFICATION
SERVICE**

WHAT CAN YOU EXPECT

PERSONALIZED COMMUNICATIONS

Voyent Alert! provides informative communications. Critical information such as the distance and direction from an incident, and preferred evacuation routes from your followed locations may be provided.

FOLLOW MULTIPLE LOCATIONS

Voyent Alert! allows you to create and follow multiple locations such as "Kids School" or "Mom's House". Any event or communication related to your followed locations will be forwarded to you along your preferred communication channel.

COMMUNICATIONS YOUR WAY

Receive alerts over a wide variety of communication channels including mobile apps, text/SMS alerting, email or voice dial. You can register for one or more communication channels.

NO MESSAGE FATIGUE

Smart alerting capabilities ensure that you will only get notified when a communication is relevant to your or one of the locations you are following.

EASY REGISTRATION

Registration for the service is FREE, simple and anonymous.

REGISTER NOW!

MOBILE APP USERS

register.voyent-alert.com

We would like to congratulate Supervisor Linda Puglisi for over 30 years of service for the Town of Cortlandt and her dedication to our community!

The Department of Environmental Services would like to thank Supervisor Puglisi for her continued support to the Department throughout her years of service.

Enjoy your retirement!

GENERAL INFORMATION

DEPARTMENT OF ENVIRONMENTAL SERVICES - SANITATION DIVISION (914) 737-0100 or
www.townofcortlandt.com/sanitation

The Department of Environmental Services provides curbside collection of trash, recycling (paper, plastic, glass, metal), special pick up (tires, Freon, and special bulk); bulk collection, e-waste drop off and organic waste. The Town is divided into various zones and routes to more efficiently service the residents.

Solid Waste Collection (Household Garbage)

- Garbage collection in the Town is divided into two routes. The northern end of Town and Verplanck are generally picked up on Monday and the southern end of Town is serviced on Tuesday. An alphabetical list is included in this brochure indicating a Monday or Tuesday garbage route. Paper is picked up town wide on Wednesday and Commingle is picked up town wide on Thursday.
- Garbage and recycling containers must not exceed 45 gallons or a total weight of 70 pounds. Oversized cans will not be picked up. (See regulations on page 10)
- The garbage containers must have a secure cover with 2 substantial handles. Bungee cords pose a hazard to Town workers and are not permitted.
- Secure garbage bags (that do not break when picked up) can be placed curbside. The Town is not responsible for breakage or loss of garbage cans.
- Garbage must be curbside before 7:00 a.m. (6:00 a.m. from May 31st to September 2nd) the day of pick up or can be put out the night before.
- When a holiday falls in a week, all services will be moved forward one day.
- During snow events, garbage collection may be canceled. When that occurs, the schedule will shift. Always check our website for updates.

2022 holidays are as follows: New Years Day, Martin Luther King Jr. Day, President's Day, Good Friday, Memorial Day, Independence Day, Labor Day, Columbus Day, Election Day, Veteran's Day, Thanksgiving, and Christmas.

The Sanitation Division works summer hours from
May 31st to September 2nd. Please have all items
curbside by 6:00 a.m.

PAPER, COMMINGLE & ORGANIC RECYCLING

TOWN OF CORTLANDT CURBSIDE RECYCLING PROGRAM

Westchester County asks all residents to comply with its Source Separation Law and recycle

<http://environment.westchestergov.com/laws/source-separation-law>

PAPER RECYCLING

Curbside paper recycling takes place town wide on Wednesday (except when there is a holiday on Monday or Tuesday, see calendar for details). Please place items in a recycling container or in a paper bag or cardboard box. Any paper placed in a plastic bag will not be picked up. The following items must be recycled:

- Newspaper and glossy inserts
- Magazines
- Junk mail
- Telephone books
- Office paper
- Corrugated cardboard
- Grey cardboard (i.e. tissue box)
- Shredded paper
- Gift wrap paper

We **DO NOT** recycle paperback or hard-cover books, waxed paper, paper stained by food (i.e. pizza boxes), plastic and Styrofoam packing material. These items should be placed in the garbage.

COMMINGLED RECYCLING

Commingle is picked up town wide on Thursdays (except when there is a holiday then it will be picked up on Friday, see schedule for details). Any commingled items in a plastic bag will not be picked up. The following items must be recycled:

Metal

- Food and beverage cans (rinse cans but you do not have to remove labels)
- Empty aerosol cans (empty through normal use)

Plastic

Containers marked 1 through 7 on the bottom

- Milk, juice and water bottles
- Shampoo and detergent containers
- Soda bottles (discard cap in the trash)
- Gable-top refrigerated cartons (milk, juice, soup)
- Ice cream cartons

Glass

- Clear, green or brown glass jars of any size

Do Not Recycle the Following

Metal

- Empty motor oil cans
- Kitchen utensils/cookware
- Paint can (empty/dried out cans can be placed with regular garbage)
- Hangers
- Scrap Metal
- Any container that held hazardous material

Plastic

- 5 gallon plastic pails
- Flower pots
- Plastic shopping bags
- Toys
- Packing material

Glass

- Light bulbs
- Drinking glasses
- Mirrors or windows

ORGANIC RECYCLING

Organic Yard Waste

The Town has established regular pick up routes for organic yard waste. Please see the schedule for details. Yard waste will be picked up town wide on these dates. Yard waste must be placed in brown biodegradable bags or loosely in garbage cans. Plastic bags cannot be composted. Organic waste in plastic bags **WILL NOT** be picked up. If no organic pick up is imminent please call 914-737-0100 to be added to the waiting list. The County is encouraging residents to participate in the Love 'Em and Leave 'Em mulching in place initiative. Please visit <http://www.leleny.org/> for more information.

Christmas Trees

Christmas trees will be collected *Friday January 7th and 28th*. Place your tree curbside free of all trimmings, lights, nails, etc. Trees placed in plastic bags **WILL NOT** be picked up. To schedule a tree pick-up on another day please call 914-737-0100.

ORGANIC (CONT), E-WASTE & BULK TRASH

Brush Pick Up

Call the Sanitation Division at (914) 737-0100 to schedule a brush pick up.

Requirements include the following: Only branches 6 inches in diameter or less can be chipped. Brush must not exceed 10 feet long. Branches should be stacked neatly roadside with butt ends facing roadway. Do not tie or bundle the branches. We do not chip logs, stumps, lumber, railroad ties, building materials, dead wood, vines, bamboo or brush with root balls attached. Brush service is not available for whole tree takedowns or wooded lot clean up. We reserve the right to refuse pick up if guidelines are not followed. Any brush smaller than 4 feet long should be bundled and tied and placed out for organic yard waste pick on the scheduled day.

No commercial debris removal. When hiring a contractor for yard work they are responsible for removing all debris (per Town Code).

THE TOWN DOES NOT SCHEDULE BRUSH PICK UPS IN JANUARY OR FEBRUARY

Composting

Yard waste such as fallen leaves, grass clippings, weeds and remains of garden plants along with organic kitchen waste make excellent composting materials. For more information on composting visit the Westchester County website at <http://cwmi.css.cornell.edu/composting.htm#smallcomposting>

2022 Organic Yard Waste Schedule

Yard waste placed in biodegradable bags and placed curbside will be picked up Town wide on the following days

March 25	August 26
April 29	September 30
May 27	October 28
June 24	November 18
July 29	December 2

If no organic pick up is imminent please call 914-737-0100 to be added to the waiting list.

E-WASTE

Best Buy Electronics Recycling Program

Best Buy will recycle any electronics regardless of where the item was purchased. Some fees may apply.

<http://www.bestbuy.com/site/Global-Promotions/Recycling-Electronics/pcmcat149900050025.c?id=pcmcat149900050025&pageType=REDIRECT&issolr=1&searchRedirect=recycle>

E-WASTE

E-Waste is electronic waste. Certain components of some electronic products contain materials that render them hazardous. Some examples of E-Waste products include; computers, chargers, printers, shredders, fax machine, copiers, CD/DVD players, phones, answering machines, video game systems, cable wires, TVs, cell phones, radios, speakers, digital cameras, GPS units.

There are 4 ways to dispose of E-Waste

- Drop these items off at Buchanan DPW garage at 218 Westchester Avenue Mon – Fri 7am – 3pm. Canister is by the baseball field in the back of the property.
- Best Buy Electronics Recycling Program (see link)
- Arrange for a special pickup (Fee required)
- Contact the Westchester County HMRP to schedule an appointment at (914) 813-5425 for further details.

Many electronic items contain personal sensitive material. Please remember to remove all personal information from items before recycling.

****Televisions and E-Waste items must be dropped off at 218 Westchester Avenue or must be paid for as a Special pick up. They WILL NOT be picked up on Bulk days.***

Batteries

Please visit the following link for information on battery recycling

<http://environment.westchestergov.com/residents/recycling-guidelines/household-batteries>

BULK TRASH COLLECTION

Bulk pick up is scheduled by 3 routes in the Town and picked up on Fridays. All routes are listed in the back of this brochure or you can visit our website at www.townofcortlandt.com/sanitation or call the office at (914) 737-0100. Items for bulk collection must be placed curbside no later than 7:00 a.m. the morning of pick up (6:00 a.m. summer hours). Items can't be placed out more than 2 days before pick up.

NEW REGULATION – All mattresses and box springs out for disposal **MUST** be placed in sealed plastic bags. Bags can be purchased at your local hardware store or online.

BULK (CONT), SPECIAL SERVICES & WESTCHESTER COUNTY RECYCLING

Items that can be placed out for bulk pick up *include*: furniture, carpeting and padding (cut in 3 x 9 length or smaller and taped), trash cans clearly marked as trash, dishwashers, dryers, washing machines, stoves, file cabinets, desks, water heaters, aluminum siding, bicycles, metal fencing (no cement bottoms), plumbing pipe (4 feet lengths), snow blowers, lawnmowers (no gas or oil), swing sets (dismantled with no cement bottoms), Heating units must be free of oil (certified cleaning required), space heaters (free of kerosene) and propane tanks (must be completely empty with entire center valve removed). For pull out couches the frame must be removed before placing curbside. Items not picked up *include* railroad ties, pianos, logs, concrete, hazardous materials and C&D.

General Rule of Thumb: pile should be able to fit in the back of a pick up truck. Larger piles may be subject to additional fees.

ALL METAL PRODUCTS MUST BE PILED SEPARATELY FOR PICK UP AS THIS MATERIAL IS RECYCLED

CONSTRUCTION DEBRIS WILL NOT BE ACCEPTED

2022 Bulk Schedule is as follows:

Route 1 Pick Up Fridays

- January 14
- February 18
- March 18
- April 22
- May 20
- July 1
- August 5
- September 2
- October 7
- December 9

Route 2 Pick Up Fridays

- February 4
- March 4
- April 1
- May 6
- June 10
- July 15
- August 12
- September 16
- October 21
- December 16

Route 3 Pick Up Fridays

- February 11
- March 11
- April 8
- May 13
- June 17
- July 22
- August 19
- September 23
- November 4
- December 23

SPECIAL SERVICES (FEE REQUIRED)

Special Bulk Pick-ups – Items containing Freon, tires, and electronics can be picked up for a fee through the Sanitation Division. Please mail payment to Town of Cortlandt - Sanitation Division, 167 Roa Hook Rd, Cortlandt Manor, NY 10567 and include your phone number or stop by our office. A pick up date will be provided along with instructions and a special sticker if required. The Town does not take credit card payments.

Special bulk pick-ups – Cost \$30.00 and follow the same guidelines as our regular bulk pick up

Freon – Any items containing Freon such as refrigerators, freezers, air conditioners and dehumidifiers require a special pick up. The cost is \$10.00 and a special sticker is required. Reminder all doors must be removed as required by law.

Tires – The Town will recycle tires up to 16" rims. Limit 8 tires per household per year. The cost is \$5.00 without rims and \$10.00 with rims. Special stickers are required for pick up.

E-Waste – A \$15.00 fee is required for each television. All other e-waste items require a \$5.00 fee per item.

2022 WESTCHESTER COUNTY RECYCLING

The Town never picks up hazardous waste. Westchester County has a drop off location in Valhalla. You must call (914) 813-5425 to make an appointment or go online to

<https://environment.westchestergov.com/recycling> for more details.

Highway & Water Divisions

HIGHWAY DIVISION

140 8th Street, Verplanck, NY 10596
(914) 737-0075

Services provided by the Department include the following:

- Snow plowing and salting
- Sidewalk Maintenance
- Town Drainage systems - please do not dump yard waste (including grass clippings and branches) near any drainage ditch or piping.
- Asphalt patching and repair (to report a pothole please call the Highway Department)
- Street light/Traffic signal repair (When calling to report a street light please try to obtain a pole #)
- Guiderail installation/repair
- Sign maintenance
- Roadside tree removal (Tree removal from private property is not included in this service)
- Dead animal removal (We do not remove animals from private property. On weekends please contact the Police)
- Call the Sanitation Division to schedule a brush pick up (914) 737-0100
- Any work performed in the Town Right of Way requires a permit. Please contact (914) 737-0100 for more information on a Road/Utility Permit.

REMINDER

Town Ordinance requires that no vehicle be placed on any Town streets, highway or roads between the hours of Midnight and 7:00 a.m. any day during the period of November 15th through April 15th. In addition, parked vehicles will be ticketed during all snow removal operations regardless of the hours.

Please be patient during snow removal operations and do not shovel or plow snow into roadways as it creates a hazardous condition and violates NYS Highway Law.

**Illegal Dumping is Punishable by a
Mandatory Fine**

(Minimum Fine \$250.00)

**Please call Code Enforcement at
(914) 734-1010 to report any illegal dumping**

**Please Note: Construction and Tree
Planting is not Permitted in a
Town Right-of-Way**

WATER DIVISION

The Town of Cortlandt Water Department has
relocated to 137 7th Street Verplanck, NY 10596

For Billing Questions Please Call
(914) 737-7676

For Maintenance Issues Please Call
(914) 734-1026

**After Hours Water Emergency ONLY Call
1-845-278-5016 (water answering service)**

The Water Division maintains over 1,500
hydrants throughout the Town. During snow
storms please clear any hydrants near your
property when possible.

Stormwater

Solutions to the Pollution

Easy things you can do every day to protection our water

Stormwater is water from rain or melting snow that flows from rooftops, paved areas and lawns that doesn't soak into the ground but runs off into waterways.

As it flows, stormwater runoff collects and transports soil, animal waste, salt, fertilizers, oil and grease, pesticides, litter and other potential pollutants. This pollution can enter groundwater, streams, lakes, ponds and river and can even affect the quality of our drinking water.

Increases in impervious surfaces cause more stormwater runoff. Because less water is soaking in, flooding can become more frequent and more destructive.

The Town of Cortlandt is a regulated Storm system community and has enacted updated Town ordinances governing stormwater.

Lawn Care

Most lawns tested in Westchester County did NOT need more phosphorus. If you must fertilize, use phosphorus-free fertilizer (where the middle number on the bag is zero). Excess fertilizer flows into streams, lakes, rivers and reservoirs, where it can degrade drinking water, lead to algae and plant growth and contribute to fish kills. Don't fertilize when rain is expected. Leave grass clippings on the lawn to recycle nutrients. More information on lawn care is available in the Town of Cortlandt Sanitation Website.

Septic System Maintenance

Failing septic systems can contaminate groundwater, drinking water and surface flows. Most of the Town of Cortlandt is serviced by individual septic systems. These septic systems should be pumped and inspected regularly. Do not pour chemicals, paints, fats, or excess medications down your pipes. Driving on or parking on septic fields may damage them.

Scoop the Poop

Please pick up after your dog or cat. It doesn't matter the size of the animal – all animal waste has an impact. Animal waste is easily carried by runoff, washing off roads and lawns. Pet waste contains harmful bacteria and phosphorus that can promote the growth of weeds, and algae. Scoop the poop and dispose of pet waste in the garbage.

Only Rain down the Drain

All our storm drains lead eventually to someone's drinking water. Don't dispose of waste down the drain or into any of the ditches, swales, street drains or stormwater outfalls that convey stormwater.

Landscaping Helps

Keep vegetation and organic material on the soil, especially on slopes. Landscape to limit the steepness or length of slopes. Build a buffer of vegetation by watercourses to help filter sediment. Replace the lawn at water's edge with shrubs, hedges or trees. Anything that slows the flow of water will help give time for the pollution to be removed.

Care for your Car

Little drops of oil and gas add up. One pint of oil can cause an oil slick the size of a football field. Take used motor oil to gas stations. NEVER pour it down the drain. Take other fluids to approved recycling locations. More information about this is in the Town of Cortlandt Sanitation Website. Use saw dust or kitty litter to clean up leaks and spills in your driveway. Wash your car on your lawn if possible to capture runoff.

Reporting Stormwater Polluters

Your actions or the action of your neighbor can affect water resources. We are all downstream of someone. No polluted water should be allowed to go into our stormwater system. If you notice pollution of Stormwater you can report the details to the Town of Cortlandt Stormwater Hotline at (914) 734-1060.

Cortlandt's Stormwater Hotline (914) 734-1060

SOLUTIONS TO STORMWATER POLLUTION

Easy Things You Can Do Every Day To Protect Our Water

Stormwater is water from rain or melting snow that flows from rooftops, paved areas and lawns that doesn't soak into the ground but runs off into waterways, like streams, ponds, lakes, and rivers.

As it flows, stormwater runoff collects and transports soil, animal waste, salt, fertilizers, oil and grease, pesticides, litter and other potential pollutants. This pollution can enter groundwater, streams, lakes, ponds, and rivers and can even affect the quality of our drinking water.

Increase in impervious surfaces cause more stormwater runoff. Because less water is soaking in, flooding can become more frequent and more destructive.

The Town of Cortlandt is a regulated community and has enacted updated Town ordinances governing stormwater. To learn more, visit our website at: www.townofcortlandt.com/stormwater

What can you do to help with Stormwater Issues?

Lawn Care

Most lawns tested in Westchester County DO NOT need more phosphorus. If you must fertilize, use phosphorus-free fertilizer (where the middle number on the bag is zero). Excess fertilizer flows into streams, lakes, rivers, and reservoirs, where it can degrade drinking water, lead to algae and plant growth and contribute to fish kills. Don't fertilize when rain is expected. Leave grass clippings on the lawn to recycle nutrients. More information on lawn care is available in the Town of Cortlandt Recycling brochure.

Septic System Maintenance

Failing septic systems can contaminate groundwater, drinking water and surface flows. Most of the Town of Cortlandt is serviced by individual septic systems. **Your septic system should be pumped and inspected regularly.** Generally, septic tanks should be cleaned out every 3-5 years, depending on the size of the tank. Do not pour chemicals, paints, fats, or excess medications down your pipes. Driving on or parking on septic field may damage them.

Scoop the Poop

Please pick up after your dog or cat. It doesn't matter the size of the animal— all animal waste has an impact. Animal waste is easily carried by runoff, washing off roads and lawns. Pet waste contains harmful bacteria and phosphorus that can promote the growth of weeds and algae.

Landscaping Helps

Keep vegetation and organic material on the soil, especially on slopes. Landscape to limit the steepness or length of slopes. Build a buffer of vegetation by watercourses to help filter sediment. Replace the lawn at water's edge with shrubs, hedges or trees. Anything that slows the flow of water will help us give time for the pollution to be removed.

Care for your Car

Little drops of oil and gas add up. One pint of oil can cause an oil slick the size of a football field. Take used motor oil to gas stations. **NEVER** pour it down the drain. Take other fluids to approved recycling locations. Use saw dust or kitty litter to clean up leaks and spills in your driveway. Wash your car on your lawn if possible to capture runoff.

Reporting Stormwater Polluters

Your actions or the action of your neighbor can affect water resources. We are all downstream of someone. No polluted water should be allowed to go into our stormwater system. If you notice pollution of Stormwater you can report the details to the **Town of Cortlandt Stormwater Hotline at Town Code Enforcement at 914-734-1010.**
