

## Electric Upgrade

**Thursday, April 10, 2025**

Con Edison will be performing work on the electrical distribution system in your neighborhood to ensure the continued reliability of our electric system.

Work is scheduled for **Monday, April 14<sup>th</sup>** impacting **Upland Lane**.

**In order to safely complete the work Upland Lane will be closed to traffic from 9AM to 2PM.**

There will not be an electric service interruption associated with this work.

We apologize for any inconvenience this work may cause. Thank you for your patience.
