## REMEMBER TO RECYCLE

Department of Environmental Services

(914) 737 – 0100

Email: [Sanitation@townofcortlandt.com](mailto:Sanitation@townofcortlandt.com)

Stephen J. Ferreira, P.E., Director

Brent W. VanZandt, P.E., Deputy Director

Christina Edwards, Deputy Director - DES /Admin.

# GENERAL INFORMATION

**DEPARTMENT OF ENVIRONMENTAL SERVICES - SANITATION DIVISION (914) 737-0100 or [www.townofcortlandt.com/sanitation](http://www.townofcortlandt.com/sanitation)**

The Department of Environmental Services provides curbside collection of bulk trash, recycling (paper, plastic, glass, metal), special pick up (tires, Freon, and special bulk), bulk collection, e-waste drop off and organic waste. The Town is divided into various zones and routes to more efficiently service the residents.

## **Solid Waste Collection (Household Garbage)**

- Garbage collection in the Town is divided into two routes. The northern end of Town and Verplanck are generally picked up on Monday and the southern end of Town is serviced on Tuesday. An alphabetical list is included in this brochure indicating a Monday or Tuesday garbage route. Paper is picked up Town wide on Wednesday and Commingle is picked up Town wide on Thursday.
- Garbage containers must not exceed 45 gallons or a total weight of 70 pounds. **Oversized cans will not be picked up.** (See new regulations on page 10)
- The garbage containers must have a secure cover with 2 substantial handles. Bungee cords pose a hazard to Town workers and are not permitted.
- Secure garbage bags (that do not break when picked up) can be placed curbside. The Town is not responsible for breakage or loss of garbage cans.
- Garbage must be curbside before 7:00 a.m. (6:00 a.m. from May 26<sup>th</sup> to September 4<sup>th</sup>) the day of pick up or can be put out the night before.
- When a holiday falls in a week, all services will be moved forward one day.
- During snow events, garbage collection may be canceled. When that occurs, the schedule will shift. Always check our website for updates.

**2020 holidays are as follows: New Years Day, Martin Luther King Jr. Day, President’s Day, Good Friday, Memorial Day, Independence Day, Labor Day, Columbus Day, Election Day, Veteran’s Day, Thanksgiving, and Christmas.**

**The Sanitation Division works summer hours from May 26<sup>th</sup> to September 4<sup>th</sup>. Please have all items curbside by 6:00 a.m.**

# PAPER, COMMINGLE & ORGANIC RECYCLING

## TOWN OF CORTLANDT CURBSIDE RECYCLING PROGRAM

Westchester County asks all residents to comply with its Source Separation Law and recycle

<http://environment.westchestergov.com/laws/source-separation-law>

### PAPER RECYCLING

Curbside paper recycling takes place town wide on Wednesday (except when there is a holiday on Monday or Tuesday, see calendar for details). Please place items in a recycling container or in a paper bag or cardboard box. Any paper placed in a plastic bag will not be picked up. The following items must be recycled:

- Newspaper and glossy inserts
- Magazines
- Junk mail
- Telephone books
- Office paper
- Corrugated cardboard
- Grey cardboard (i.e. tissue box)
- Shredded paper
- Gift wrap paper

We **DO NOT** recycle paperback or hard-cover books, waxed paper, paper stained by food (i.e. pizza boxes), plastic and Styrofoam packing material. These items should be placed in the garbage.

### COMMINGLED RECYCLING

Commingled is picked up town wide on Thursdays (except when there is a holiday then it will be picked up on Friday, see schedule for details). Any commingled items in a plastic bag will not be picked up. The following items must be recycled:

#### Metal

- Food and beverage cans (rinse cans but you do not have to remove labels)
- Empty aerosol cans (empty through normal use)

#### Plastic

**Containers marked 1 through 7 on the bottom**

- Milk, juice and water bottles
- Shampoo and detergent containers
- Soda bottles (discard cap in the trash)
- Gable-top refrigerated cartons (milk, juice, soup)
- Ice cream cartons

#### Glass

- Clear, green or brown glass jars of any size

**Do Not** Recycle the Following

#### Metal

- Empty motor oil cans
- Kitchen utensils/cookware
- Paint can (empty/dried out cans can be placed with regular garbage)
- Hangers
- Scrap Metal
- Any container that held hazardous material

#### Plastic

- 5 gallon plastic pails
- Flower pots
- Plastic shopping bags
- Toys
- Packing material

#### Glass

- Light bulbs
- Drinking glasses
- Mirrors or windows

### ORGANIC RECYCLING

#### Yard Waste

The Town has established regular pick up routes for organic yard waste. Please see the schedule for details. Yard waste will be picked up town wide on these dates. Yard waste must be placed in **brown biodegradable bags** or loosely in garbage cans. **Plastic bags cannot be composted. Organic waste in plastic bags WILL NOT be picked up.** If no organic pick up is imminent please call **914-737-0100** to be added to the waiting list. The County is encouraging residents to participate in the Love 'Em and Leave 'Em mulching in place initiative. Please visit <http://www.leleny.org/> for more information.

#### Christmas Trees

Christmas trees will be collected during the month of January. Place your tree curbside free of all trimmings, lights, nails etc. **Trees placed in plastic bags WILL NOT be picked up.**

## ORGANIC (CONT), E-WASTE & BULK TRASH

### Brush Pick Up

Call the Sanitation Division at (914) 737-0100 to schedule a brush pick up.

*Requirements include the following:* Only branches 6 inches in diameter or less can be chipped. Brush must not exceed 10 feet long. Branches should be stacked neatly roadside with butt ends facing roadway. Do not tie or bundle the branches. **We do not chip logs, stumps, lumber, railroad ties, building materials, dead wood, vines or brush with root balls attached. Brush service is not available for whole tree takedowns or wooded lot clean up. We reserve the right to refuse pick up if guidelines are not followed. Any brush smaller than 4 feet long should be bundled and tied and placed out for organic waste pick on the scheduled day.**

**No commercial debris removal. When hiring a contractor for yard work they are responsible for removing all debris (per Town Code).**

**\*THE TOWN DOES NOT SCHEDULE BRUSH PICK UPS IN JANUARY OR FEBRUARY\***

### Composting

Yard waste such as fallen leaves, grass clippings, weeds and remains of garden plants along with organic kitchen waste make excellent composting materials. For more information on composting visit the Westchester County website at <http://cwmi.css.cornell.edu/composting.htm#smallcomposting>

#### 2020 Organic Yard Waste Schedule

Yard waste placed in biodegradable bags and placed curbside will be picked up Town wide on the following days

March 27	August 28
April 24	September 25
May 22	October 9
June 26	October 30
July 31	November 20

If no organic pick up is imminent please call **914-737-0100** to be added to the waiting list.

### E-WASTE

#### Best Buy Electronics Recycling Program

Best Buy will recycle any electronics regardless of where the item was purchased. Some fees may apply.

<http://www.bestbuy.com/site/Global-Promotions/Recycling-Electronics/pcmcat149900050025.c?id=pcmcat14990050025&pageType=REDIRECT&issolr=1&searchRedirect=recycle>

## E-WASTE

E-Waste is electronic waste. Certain components of some electronic products contain materials that render them hazardous. Some examples of E-Waste products include; computers, chargers, printers, shredders, fax machine, copiers, CD/DVD players, phones, answering machines, video game systems, cable wires, TVs, cell phones, microwaves, radios, speakers, digital cameras, GPS units.

There are 4 ways to dispose of E-Waste

- Drop these items off at Buchanan DPW garage at 218 Westchester Avenue Mon – Fri 7am – 3:30pm. Canister is by the baseball field in the back of the property.
- Best Buy Electronics Recycling Program (see link)
- Arrange for a special pickup (Fee required)
- Contact the Westchester County HMRF to schedule an appointment at (914) 813-5425 for further details.

Many electronic items contain personal sensitive material. Please remember to remove all personal information from items before recycling.

***\*Televisions and E-Waste items must be dropped off at 218 Westchester Avenue or must be paid for as a Special pick up. They WILL NOT be picked up on Bulk days.***

### Batteries

Please visit the following link for information on battery recycling

<http://environment.westchestergov.com/residents/recycling-guidelines/household-batteries>

### BULK TRASH COLLECTION

Bulk pick up is scheduled by 3 routes in the Town and picked up on Fridays. All routes are listed in the back of this brochure or you can visit our website at [www.townofcortlandt.com/sanitation](http://www.townofcortlandt.com/sanitation) or call the office at (914) 737-0100. Items for bulk collection must be placed curbside no later than 7:00 a.m. the morning of pick up (6:00 a.m. summer hours). Items can't be placed out more than 2 days before pick up.

**NEW REGULATION – All mattresses and box springs out for disposal MUST be placed in sealed plastic bags. Bags can be purchased at your local hardware store or online.**

# BULK (CONT), SPECIAL SERVICES & WESTCHESTER COUNTY RECYCLING

Items that can be placed out for bulk pick up *include*: furniture, carpeting and padding (cut in 3 x 9 length or smaller and taped), trash cans clearly marked as trash, dishwashers, dryers, washing machines, stoves, file cabinets, desks, water heaters, aluminum siding, bicycles, metal fencing (no cement bottoms), plumbing pipe (4 feet lengths), snow blowers, lawnmowers (no gas or oil), swing sets (dismantled with no cement bottoms), Heating units must be free of oil (certified cleaning required), space heaters (free of kerosene) and propane tanks (must be completely empty with entire center valve removed). For pull out couches the frame must be removed before placing curbside. **Items not picked up include** railroad ties, pianos, logs, concrete, hazardous materials and C&D.

**General Rule of Thumb: pile should be able to fit in the back of a pick up truck. Larger piles may be subject to additional fees.**

**ALL METAL PRODUCTS MUST BE PILED SEPARATELY FOR PICK UP AS THIS MATERIAL IS RECYCLED**

**CONSTRUCTION DEBRIS WILL NOT BE ACCEPTED**

## 2020 Bulk Schedule is as follows:

### Route 1 Pick Up Fridays

- January 10
- February 7
- March 6
- April 3
- May 8
- June 12
- July 17
- August 14
- September 18
- December 4

### Route 2 Pick Up Fridays

- January 17
- February 14
- March 13
- April 17
- May 15
- June 19
- July 24
- August 21
- October 2
- December 11

### Route 3 Pick Up Fridays

- January 31
- February 28
- March 20
- May 1
- June 5
- July 10
- August 7
- September 4
- October 23
- December 18

### SPECIAL SERVICES (FEE REQUIRED)

**Special Bulk Pick-ups** – Items containing Freon, tires, and electronics can be picked up for a fee through the Sanitation Division. Please mail payment to Town of Cortlandt - Sanitation Division, 167 Roa Hook Rd, Cortlandt Manor, NY 10567 and include your phone number. Payment can also be dropped off at Sanitation or Town Hall - 1 Heady Street. A pick up date will be provided along with instructions and a special sticker if required. The Town does not take credit card payments.

**Special bulk pick-ups** – Cost \$30.00 and follow the same guidelines as our regular bulk pick up

**Freon** – Any items containing Freon such as refrigerators, freezers, air conditioners and dehumidifiers require a special pick up. The cost is \$10.00 and a special sticker is required. Reminder all doors must be removed as required by law.

**Tires** – The Town will recycle tires up to 16” rims. Limit 8 tires per household per year. The cost is \$5.00 without rims and \$10.00 with rims. Special stickers are required for pick up.

**E-Waste** – A \$15.00 fee is required for each television. All other e-waste items require a \$5.00 fee per item.

### 2020 WESTCHESTER COUNTY RECYCLING

The Town never picks up hazardous waste. Westchester County has a drop off location in Valhalla. You must call (914) 813-5425 to make an appointment or go online to [www.westchestergov.com/recycling](http://www.westchestergov.com/recycling) for more details.

## Highway & Water Divisions

### HIGHWAY DIVISION

140 8<sup>th</sup> Street, Verplanck, NY 10596  
(914) 737-0075

Services provided by the Department include the following:

- Snow plowing and salting
- Sidewalk Maintenance
- Town Drainage systems - please do not dump yard waste (including grass clippings and branches) near any drainage ditch or piping.
- Asphalt patching and repair (to report a pothole please call the Highway Department)
- Street light/Traffic signal repair (When calling to report a street light please try to obtain a pole #)
- Guiderail installation/repair
- Sign maintenance
- Roadside tree removal (Tree removal from private property is not included in this service)
- Dead animal removal (We do not remove animals from private property. On weekends please contact the Police)
- Call the Sanitation Division to schedule a brush pick up (914) 737-0100
- Any work performed in the Town Right of Way requires a permit. Please contact (914) 737-0100 for more information on a Road/Utility Permit.

### **REMINDER**

Town Ordinance requires that no vehicle be placed on any Town streets, highway or roads between the hours of Midnight and 7:00 a.m. any day during the period of November 15<sup>th</sup> through April 15<sup>th</sup>. In addition, parked vehicles will be ticketed during all snow removal operations regardless of the hours.

Please be patient during snow removal operations and do not shovel or plow snow into roadways as it creates a hazardous condition and violates NYS Highway Law.

### **Illegal Dumping is Punishable by a Mandatory Fine**

**(Minimum Fine \$250.00)**

**Please call CODE Enforcement at  
(914) 734-1010 to report any illegal dumping**

**Please Note: Construction and Tree  
Planting is not Permitted in a  
Town Right-of-Way**

### WATER DIVISION

The Town of Cortlandt Water Department has relocated to 137 7<sup>th</sup> Street Verplanck, NY 10596

For Billing Questions Please Call  
(914) 737-7676

For Maintenance Issues Please Call  
(914) 734-1026

**After Hours Water Emergency ONLY Call  
1-845-278-5016 (water answering service)**

The Water Division maintains over 1,500 hydrants throughout the Town. During snow storms please clear any hydrants near your property when possible.

## **Stormwater**

### **Solutions to the Pollution**

#### **Easy things you can do every day to protection our water**

**Stormwater** is water from rain or melting snow that flows from rooftops, paved areas and lawns that doesn't soak into the ground but runs off into waterways.

As it flows, stormwater runoff collects and transports soil, animal waste, salt, fertilizers, oil and grease, pesticides, litter and other potential pollutants. This pollution can enter groundwater, streams, lakes, ponds and river and can even affect the quality of our drinking water.

Increases in impervious surfaces cause more stormwater runoff. Because less water is soaking in, flooding can become more frequent and more destructive.

The Town of Cortlandt is a regulated Storm system community and has enacted updated Town ordinances governing stormwater.

#### **Lawn Care**

Most lawns tested in Westchester County did NOT need more phosphorus. If you must fertilize, use phosphorus-free fertilizer (where the middle number on the bag is zero). Excess fertilizer flows into streams, lakes, rivers and reservoirs, where it can degrade drinking water, lead to algae and plant growth and contribute to fish kills. Don't fertilize when rain is expected. Leave grass clippings on the laws to recycle nutrients. More information on lawn care is available in the Town of Cortlandt Sanitation Website.

#### **Septic System Maintenance**

Failing septic systems can contaminate groundwater, drinking water and surface flows. Most of the Town of Cortlandt is serviced by individual septic systems. These septic systems should be pumped and inspected regularly. Do not pour chemicals, paints, fats, or excess medications down your pipes. Driving on or parking on septic fields may damage them.

#### **Scoop the Poop**

Please pick up after your dog or cat. It doesn't matter the size of the animal – all animal waste has an impact. Animal waste is easily carried by runoff, washing off roads and lawns. Pet waste contains harmful bacteria and phosphorus that can promote the growth of weeds, and algae. Scoop the poop and dispose of pet waste in the garbage.

#### **Only Rain down the Drain**

All our storm drains lead eventually to someone's drinking water. Don't dispose of waste down the drain or into any of the ditches, swales, street drains or stormwater outfalls that convey stormwater.

#### **Landscaping Helps**

Keep vegetation and organic material on the soil, especially on slopes. Landscape to limit the steepness or length of slopes. Build a buffer of vegetation by watercourses to help filter sediment. Replace the lawn at water's edge with shrubs, hedges or trees. Anything that slows the flow of water will help give time for the pollution to be removed.

#### **Care for your Car**

Little drops of oil and gas add up. One pint of oil can cause an oil slick the size of a football field. Take used motor oil to gas stations. NEVER pour it down the drain. Take other fluids to approved recycling locations. More information about this is in the Town of Cortlandt Sanitation Website. Use saw dust or kitty litter to clean up leaks and spills in your driveway. Wash your car on your lawn if possible to capture runoff.

#### **Reporting Stormwater Polluters**

Your actions or the action of your neighbor can affect water resources. We are all downstream of someone. No polluted water should be allowed to go into our stormwater system. If you notice pollution of Stormwater you can report the details to the Town of Cortlandt Stormwater Hotline at (914) 734-1060.

**Cortlandt's Stormwater Hotline (914) 734-1060**
