Letter from the Supervisor

Dear Cortlandt Resident:

We had a very successful and fun filled summer with our friends and families. As many of you know, we had a small set back in the opening of the Charles J. Cook Pool in mid-June but due to the hard work of our Parks Staff and Director of the Department of Environmental Services, Steve Ferreira we were able to open and had a great season at the pool. We are in the planning stages for the closure of the pool this fall season and have scheduled much-needed repairs for the fall and spring seasons. These repairs will hopefully ensure a smooth opening for the summer 2023. Our summer concert and movie series held at Cortlandt Waterfront Park was very well attended; we had great bands, excellent movies and delicious food. We are already planning our summer 2023 line up. We will post this information on our social media and in the weekly newsletter. As the fall season begins, we are excited for our upcoming special events and programs. Here are some highlights:

- **Cortlandt Family Fun Day:** Saturday, 9/10 - Cortlandt Train Station- 3:00 PM- 8:00 PM- Fireworks (Rain Date: Saturday, 9/17)
- **Mohegan Fire Department 100th Anniversary Parade:** Saturday, 9/17- Westbrook Drive
- **5K Road Race:** Saturday, 10/22- Cortlandt Waterfront Park - 9:30 AM start
- **Halloween Dog Parade:** Saturday, 10/29- Cortlandt Dog Park, 130 Sprout Brook Road, 2:30 PM-3:30 PM
- **Hobgoblin Parade:** Saturday, 10/29, 1:00 PM- Cortlandt Town Center
- **Halloween Party:** Monday, 10/31 - 6:00 PM- 8:30 PM- Cortlandt Youth Center

Our annual Winter Wonderland event will be held on Saturday, December 10 at the Cortlandt Youth Center. This year we are excited to announce a new attraction to this event. We will be offering ice-skating in the roller hockey rink area beginning on Friday, November 25. More information to come.

Did you know the Town of Cortlandt sends out weekly e-newsletter on Fridays to help keep you, our residents informed about everything Cortlandt? Learn about upcoming local events, must-have apps, employment opportunities, community achievements, messages from the Desk of Supervisor Dr. Richard Becker and more! You can subscribe by visiting <https://lp.constantcontactpages.com/su/1UuJlzo>. Share this with your family and friends!

Wishing you a wonderful Fall season with friends and family. Enjoy all of our fun filled events and activities.

Sincerely,

Richard H. Becker, M.D.
Supervisor, Town of Cortlandt

The Town of Cortlandt has constructed and dedicated memorials on the front lawn at Town Hall. The Town of Cortlandt honored the men and women veterans for the 50th anniversary of the Vietnam War. This memorial will be a living tribute to those who defended our Country and to those who sacrificed their lives for our freedoms in America.

We also have a glorious Veteran's Memorial at our Cortlandt Waterfront Park by the Hudson River in the hamlet of Verplanck.

★ CORTLANDT MANOR MILITARY TRIBUTE BANNERS ★

The Town of Cortlandt is proud to announce that we are sponsoring a Military Tribute Banner Program in the Town of Cortlandt. The banners are a beautiful tribute to honor all of our men and women who have defended our Country and fought for our freedoms in America. The banners will be displayed from Memorial Day to Veterans Day along Route 9A near the VA Hospital in Montrose, Broadway in Verplanck and Oregon Road. After this period, they will be taken down and given to the family or business that purchased the banner as a keepsake. Then the next cycle takes place.

WHAT DO YOU KNOW ABOUT THE TOWN OF CORTLANDT HEATING OIL PLAN, CHOP?

This is an initiative of the Town of Cortlandt Town Supervisor and the Town Board, designed to save you money on the high cost of heating your home this winter. Members of CHOP will be able to purchase oil at a discount, through our bulk purchasing arrangement. The cost will be 30- 40 cents per gallon above the wholesale cost to our local distributors, averaging approximately 20 cents per gallon less than the homeowner can obtain. This results in a savings for our homeowners.

This is a totally voluntary program, in which all homeowners may join our oil plan by paying a \$5.00 membership fee. For additional information, frequently asked questions and for participating oil companies, visit www.townofcortlandt.com/chop for more information.

FOR YOUR SAFETY HOUSE NUMBERS MUST BE POSTED TO FACILITATE THE ENHANCED 911 SYSTEM FOR EMERGENCY RESPONSE

Building enumeration is a vital component of the E911 System. Local Law No. 5-1988 mandated the posting of your home number for the use of emergency response personnel. Public education and awareness of the requirements of E911 is difficult without the assistance of the general public and our local media. Please advise your neighbors of the need for house enumeration. We want to use all resources available to us to speed the delivery of emergency services to your homes and families. Thank you for your cooperation on this important issue. At all times we thank our first responders who protect our residents and our community.

For additional information call: 914-734-1040 (House Enumeration), 914-734-1010 (Location and # Size)

SOLUTIONS TO STORMWATER POLLUTION

EASY THINGS YOU CAN DO EVERY DAY TO PROTECT OUR WATER

Stormwater is water from rain or melting snow that flows from rooftops, paved areas and lawns that doesn't soak into the ground but runs off into waterways, like streams, ponds, lakes, and rivers.

As it flows, stormwater runoff collects and transports soil, animal waste, salt, fertilizers, oil and grease, pesticides, litter and other potential pollutants. This pollution can enter groundwater, streams, lakes, ponds, and rivers and can even affect the quality of our drinking water.

Increase in impervious surfaces cause more stormwater runoff. Because less water is soaking in, flooding can become more frequent and more destructive.

The Town of Cortlandt is a regulated community and has enacted updated Town ordinances governing stormwater. To learn more, visit our website at: www.townofcortlandt.com/stormwater

WHAT CAN YOU DO TO HELP WITH STORMWATER ISSUES?

LAWN CARE

Most lawns tested in Westchester County DO NOT need more phosphorus. If you must fertilize, use phosphorus-free fertilizer (where the middle number on the bag is zero). Excess fertilizer flows into streams, lakes, rivers, and reservoirs, where it can degrade drinking water, lead to algae and plant growth and contribute to fish kills. Don't fertilize when rain is expected. Leave grass clippings on the lawn to recycle nutrients. More information on lawn care is available in the Town of Cortlandt Recycling brochure.

SEPTIC SYSTEM MAINTENANCE

Failing septic systems can contaminate groundwater, drinking water and surface flows. Most of the Town of Cortlandt is serviced by individual septic systems. Your septic system should be pumped and inspected regularly. Generally, septic tanks should be cleaned out every 3-5 years, depending on the size of the tank. Do not pour chemicals, paints, fats, or excess medications down your pipes. Driving on or parking on septic field may damage them.

SCOOP THE POOP

Please pick up after your dog or cat. It doesn't matter the size of the animal- all animal waste has an impact. Animal waste is easily carried by runoff, washing off roads and lawns. Pet waste contains harmful bacteria and phosphorus that can promote the growth of weeds and algae.

LANDSCAPING HELPS

Keep vegetation and organic material on the soil, especially on slopes. Landscape to limit the steepness or length of slopes. Build a buffer of vegetation by watercourses to help filter sediment. Replace the lawn at water's edge with shrubs, hedges or trees. Anything that slows the flow of water will help us give time for the pollution to be removed.

CARE FOR YOUR CAR

Little drops of oil and gas add up. One pint of oil can cause an oil slick the size of a football field. Take used motor oil to gas stations. NEVER pour it down the drain. Take other fluids to approved recycling locations. Use saw dust or kitty litter to clean up leaks and spills in your driveway. Wash your car on your lawn if possible to capture runoff.

REPORTING STORMWATER POLLUTERS

Your actions or the action of your neighbor can affect water resources. We are all downstream of someone. No polluted water should be allowed to go into our stormwater system. If you notice pollution of Stormwater you can report the details to the Town of Cortlandt Stormwater Hotline at 914-293-0900 or Town Code Enforcement at 914-734-1010.

Van Cortlandville Historical Society

The Van Cortlandville Historical Society welcomes people who are interested in learning more about the history of our community and sharing it with others. The society was founded in 1921 and has been headquartered in the historic Little Red Schoolhouse, 297 Locust Avenue, Cortlandt Manor, since 1972. A primary goal is hands-on education of children about life in the mid-19th century through such activities as the Early School Days program and the annual Colonial Fair, led by history enthusiasts in period clothing. Other activities include reenactments of local military events from the Revolutionary War, erection of roadside markers at local historic sites, annual memorial services, upgrading of Van Cortlandt Memorial Park and rehabilitation of the Van Cortlandt family plot in Hillside Cemetery. The society welcomes appropriate memorabilia and genealogical records from local residents. The society's regular meetings, at 2 PM at the Schoolhouse on the third Saturday of most months, feature a variety of presentations that extend far beyond the primary emphasis on early-day education and the rich Revolutionary War history of the community. Visitors and new members are always welcome. Booklets for a self-guided walking tour are available, along with other literature about local historic sites. Most activities are open to everyone at no charge. For more information, or to schedule a visit, please call the Schoolhouse at 914-736-7868, visit www.vancort.net or email society@vancort.net

HUDSON HIGHLANDS GATEWAY PARK

Sprout Brook Road (Main), Doris Lee Drive, Cortlandt Manor

Threatened twice by dense residential development, was protected in 1998 when a coalition of more than 35 groups representing homeowners, the homeowners, the community, government agencies and several environmental organizations united to preserve this 352-acre site. The Coalition to Preserve the Hudson Highlands Gateway raised \$6 million to buy the parcel. In May 2000, the Scenic Hudson Land Trust, the Town of Cortlandt and Westchester County purchased the property.

A network of trails in the park exposes visitors to woodlands, streams, steep slopes, bedrock outcroppings and meadows, revealing much human and natural history and providing spectacular river views. This park is ecologically significant because it is home to several; noteworthy ecosystems. The site's upland wetlands are crucial for many frogs and salamanders to survive. Several different snake species use the prominent, east-facing cliffs of the park to warm themselves in the sun. Also the park's Westchester County location is in one of the country's three major bird migration corridors. Come spring, hundreds of thousands of birds fly over the park where they stop to rest and feed.

Since the property was acquired, the Hudson Highlands Gateway Task Force, a group of concerned citizens - has been working with The Scenic Hudson Land Trust, the Town of Cortlandt and New York-New Jersey Trail Conference on issues including park improvements, illegal ATV use and assessing the park's natural resources. Hudson Highlands Gateway Park is an ideal destination for an afternoon or all-day outing. Recreational activities abound, including hiking, birding, cross-country skiing, fishing and snowshoeing. Located at the southern end of the fabled Hudson Highlands, the park once served as a Revolutionary War lookout and now is open for public enjoyment.

Directions

Two parking areas are available; one is temporarily shared with Sprout Brook Park, 0.3 miles from the intersection of Sprout Brook Road and Highland Avenue, just past and on the same side as the athletic. Cross road and enter park through the gap in guardrail. Universally accessible parking area is at the end of Doris Lee Drive (see map). Park on gravel in front of fence.
