LETTER FROM THE SUPERVISOR

Welcome Fall!! We are excited to be going into the Fall season as we've had a summer filled with warm temperatures, rain and smoky days. Even though we were faced with these challenges, we had a fun summer. Our kids enjoyed days spent at camp, Cook Pool and summer field trips. In addition, we continued our very popular concert and movie series at Cortlandt Waterfront Park. Once again, we had very good bands, delicious food and great movies. Please visit our website where we will post information for the upcoming 2024 season.

This year you will see a new cover to what we call the recreation brochure. We are rebranding this very popular brochure to be the "Fall Planner". We have many, many activities not just for kids and families but also for our adults and seniors in our community. This new look will highlight the other programs that we offer to all members of our Town. In the future, you will also see changes to upcoming planners (winter/spring and summer). We hope you like the new look and rebranding.

In addition, we are currently working on a new playground (airplane theme) at the Martin Playground, a new permanent Performance stage at the Cortlandt Waterfront Park and we are looking to install new pickleball courts at the Youth Center location. This activity continues to grow in popularity and we are looking for additional locations. More information to come on all of these exciting new amenities to our Town in our weekly newsletter.

Please note in your Fall planner our upcoming special events and programs. Here are some highlights:

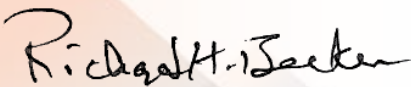

- **Cortlandt Family Fun Day:** Saturday, 9/9- Cortlandt Train Station- 3:00 PM- 8:00 PM- Fireworks
- **5K Road Race:** Saturday, 10/28- Cortlandt Waterfront Park - 9:30 AM start
- **Halloween Dog Parade:** Saturday, 10/28- Cortlandt Dog Park, 130 Sprout Brook Road, 2:30 PM-3:30 PM

- **Halloween Party:** Tuesday, 10/31 - 6:00 PM- 8:30 PM- Muriel H. Morabito Community Center

Our annual Winter Wonderland event will be held on Saturday, December 9th at the Cortlandt Youth Center. ***Once again, our synthetic ice skating rink will open in the roller hockey rink area beginning on Friday, November 24. More information to come.***

SOLUTIONS TO STORMWATER POLLUTION

EASY THINGS YOU CAN DO EVERY DAY TO PROTECT OUR WATER

Stormwater is water from rain or melting snow that flows from rooftops, paved areas and lawns that doesn't soak into the ground but runs off into waterways, like streams, ponds, lakes, and rivers.

As it flows, stormwater runoff collects and transports soil, animal waste, salt, fertilizers, oil and grease, pesticides, litter and other potential pollutants. This pollution can enter groundwater, streams, lakes, ponds, and rivers and can even affect the quality of our drinking water.

Increase in impervious surfaces cause more stormwater runoff. Because less water is soaking in, flooding can become more frequent and more destructive.

The Town of Cortlandt is a regulated community and has enacted updated Town ordinances governing stormwater. To learn more, visit our website at: www.townofcortlandt.com/stormwater

WHAT CAN YOU DO TO HELP WITH STORMWATER ISSUES?

LAWN CARE

Most lawns tested in Westchester County DO NOT need more phosphorus. If you must fertilize, use phosphorus-free fertilizer (where the middle number on the bag is zero). Excess fertilizer flows into streams, lakes, rivers, and reservoirs, where it can degrade drinking water, lead to algae and plant growth and contribute to fish kills. Don't fertilize when rain is expected. Leave grass clippings on the lawn to recycle nutrients. More information on lawn care is available in the Town of Cortlandt Recycling brochure.

SEPTIC SYSTEM MAINTENANCE

Failing septic systems can contaminate groundwater, drinking water and surface flows. Most of the Town of Cortlandt is serviced by individual septic systems. Your septic system should be pumped and inspected regularly. Generally, septic tanks should be cleaned out every 3-5 years, depending on the size of the tank. Do not pour chemicals, paints, fats, or excess medications down your pipes. Driving on or parking on septic field may damage them.

SCOOP THE POOP

Please pick up after your dog or cat. It doesn't matter the size of the animal- all animal waste has an impact. Animal waste is easily carried by runoff, washing off roads and lawns. Pet waste contains harmful bacteria and phosphorus that can promote the growth of weeds and algae.

LANDSCAPING HELPS

Keep vegetation and organic material on the soil, especially on slopes. Landscape to limit the steepness or length of slopes. Build a buffer of vegetation by watercourses to help filter sediment. Replace the lawn at water's edge with shrubs, hedges or trees. Anything that slows the flow of water will help us give time for the pollution to be removed.

CARE FOR YOUR CAR

Little drops of oil and gas add up. One pint of oil can cause an oil slick the size of a football field. Take used motor oil to gas stations. NEVER pour it down the drain. Take other fluids to approved recycling locations. Use saw dust or kitty litter to clean up leaks and spills in your driveway. Wash your car on your lawn if possible to capture runoff.

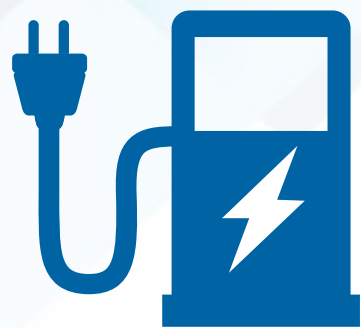

REPORTING STORMWATER POLLUTERS

Your actions or the action of your neighbor can affect water resources. We are all downstream of someone. No polluted water should be allowed to go into our stormwater system. If you notice pollution of Stormwater you can report the details to the Town of Cortlandt Stormwater Hotline at 914-293-0900 or Town Code Enforcement at 914-734-1010.

NEW ELECTRIC VEHICLE (EV) OUTLET STATIONS

Through a grant provided by NYSEDA's Clean Energy Communities program, the Town of Cortlandt will be replacing the two existing electric vehicle charging stations at Town Hall with two new and updated Level 2 EV charging stations each with 2 electric vehicle ports for a total of four charging ports. In addition, the grant funds will provide for the installation of seven (7) new charging stations each with 2 electric vehicle ports at the following town-owned properties:

LOCATION	CHARGING STATIONS*
Muriel H. Morabito Community Center, 29 Westbrook Drive, Cortlandt Manor	2
Cortlandt Waterfront Park, Riverview and Broadway, Verplanck	2
Cortlandt Youth & Recreation Center, 3 Memorial Dr, Croton-On-Hudson	1
Charles J. Cook Pool, 293A Furnace Dock Rd, Cortlandt	2

*All EV Chargers will be Level 2 charging stations and have two vehicle ports

C.H.O.P. CORTLANDT HEATING OIL PROGRAM

WHAT DO YOU KNOW ABOUT THE TOWN OF CORTLANDT HEATING OIL PLAN, CHOP?

This is an initiative of the Town of Cortlandt Town Supervisor and the Town Board, designed to save you money on the high cost of heating your home this winter. Members of CHOP will be able to purchase oil at a discount, through our bulk purchasing arrangement. The cost will be 30- 40 cents per gallon above the wholesale cost to our local distributors, averaging approximately 20 cents per gallon less than the homeowner can obtain. This results in a savings for our homeowners.

This is a totally voluntary program, in which all homeowners may join our oil plan by paying a \$5.00 membership fee. For additional information, frequently asked questions and for participating oil companies, visit www.townofcortlandt.com/chop for more information.

VETERANS INFORMATION

VETERANS MONTHLY MEETINGS

Our Cortlandt Regional Veterans Committee meets monthly at Cortlandt Town Hall, 1 Heady Street and chairman, Willy Nazario (a Purple Heart Vietnam Veteran) and his fellow Veterans represent the pride in Country that is reflected in all of our Veterans throughout the years.

If you have any questions in regards to the meetings, please call Karen Grexa at 914-528-1572.

VIETNAM MEMORIAL AND MILITARY ORDER OF THE PURPLE HEART MEMORIAL AT CORTLANDT TOWN HALL

The Town of Cortlandt has constructed and dedicated memorials on the front lawn at Town Hall. The Town of Cortlandt honored the men and women veterans for the 50th anniversary of the Vietnam War. This memorial will be a living tribute to those who defended our Country and to those who sacrificed their lives for our freedoms in America.

We also have a glorious Veteran's Memorial at our Cortlandt Waterfront Park by the Hudson River in the hamlet of Verplanck.

★ CORTLANDT MANOR MILITARY TRIBUTE BANNERS ★

The Town of Cortlandt is proud to announce that we are sponsoring a Military Tribute Banner Program in the Town of Cortlandt. The banners are a beautiful tribute to honor all of our men and women who have defended our Country and fought for our freedoms in America. The banners will be displayed from Memorial Day to Veterans Day along Route 9A near the VA Hospital in Montrose, Broadway in Verplanck and Oregon Road. After this period, they will be taken down and given to the family or business that purchased the banner as a keepsake. Then the next cycle takes place.

For additional details regarding these special banners and for ordering/payment information, please visit the Town Information Section at www.townofcortlandt.com. Contact the Supervisor's Office at 914-734-1002 or DianneC@townofcortlandt.com for more information.

In honor of our Town of Cortlandt Disabled Veterans and their spouses, the Town of Cortlandt Recreation Department will offer half prices for all recreation programs offered in this brochure.

Project Lifesaver is a free program that uses radio-frequency technology to find seniors who stray and return them safely to their families. Through Project Lifesaver, seniors are fitted with bracelets with special batteries. Then, should they wander away, specifically trained and equipped police from the Westchester County Department of Public Safety can find them using radio signals that the bracelets transmit. Project Lifesaver is sponsored by the Westchester County Department of Senior Programs and Services and its Livable Communities initiative, the Westchester Public/Private Partnership for Aging Services and International Project Lifesaver. The program is administered by Westchester Jewish Community Services.

VAN CORTLANDTVILLE HISTORICAL SOCIETY

The Van Cortlandtville Historical Society welcomes people who are interested in learning more about the history of our community and sharing it with others. The society was founded in 1921 and has been headquartered in the historic Little Red Schoolhouse, 297 Locust Avenue, Cortlandt Manor, since 1972. A primary goal is hands-on education of children about life in the mid-19th century through such activities as the Early School Days program and the annual Colonial Fair, led by history enthusiasts in period clothing. Other activities include reenactments of local military events from the Revolutionary War, erection of roadside markers at local historic sites, annual memorial services, upgrading of Van Cortlandtville Memorial Park and rehabilitation of the Van Cortlandt family plot in Hillside Cemetery.

The society welcomes appropriate memorabilia and genealogical records from local residents. The society's regular meetings, at 2 PM at the Schoolhouse on the third Saturday of most months, feature a variety of presentations that extend far beyond the primary emphasis on early-day education and the rich Revolutionary War history of the community. Visitors and new members are always welcome. Booklets for a self-guided walking tour are available, along with other literature about local historic sites. Most activities are open to everyone at no charge.

For more information, or to schedule a visit, please call the Schoolhouse at 914-736-7868, visit www.vancort.net or email society@vancort.net.

HUDSON HIGHLANDS GATEWAY PARK

Sprout Brook Road (Main), Doris Lee Drive, Cortlandt Manor

Threatened twice by dense residential development, was protected in 1998 when a coalition of more than 35 groups representing homeowners, the homeowners, the community, government agencies and several environmental organizations united to preserve this 352-acre site. The Coalition to Preserve the Hudson Highlands Gateway raised \$6 million to buy the parcel. In May 2000, the Scenic Hudson Land Trust, the Town of Cortlandt and Westchester County purchased the property.

A network of trails in the park exposes visitors to woodlands, streams, steep slopes, bedrock outcroppings and meadows, revealing much human and natural history and providing spectacular river views. This park is ecologically significant because it is home to several; noteworthy ecosystems. The site's upland wetlands are crucial for many frogs and salamanders to survive. Several different snake species use the prominent, east-facing cliffs of the park to warm themselves in the sun. Also the park's Westchester County location is in one of the country's three major bird migration corridors. Come spring, hundreds of thousands of birds fly over the park where they stop to rest and feed.

Since the property was acquired, the Hudson Highlands Gateway Task Force, a group of concerned citizens - has been working with The Scenic Hudson Land Trust, the Town of Cortlandt and New York-New Jersey Trail Conference on issues including park improvements, illegal ATV use and assessing the park's natural resources. Hudson Highlands Gateway Park is an ideal destination for an afternoon or all-day outing. Recreational activities abound, including hiking, birding, cross-country skiing, fishing and snowshoeing. Located at the southern end of the fabled Hudson Highlands, the park once served as a Revolutionary War lookout and now is open for public enjoyment.

Directions

Two parking areas are available; one is temporarily shared with Sprout Brook Park, 0.3 miles from the intersection of Sprout Brook Road and Highland Avenue, just past and on the same side as the athletic. Cross road and enter park through the gap in guardrail. Universally accessible parking area is at the end of Doris Lee Drive (see map). Park on gravel in front of fence.

Operating Hours

Open year-round, from dawn to dusk.

Park Rules & Regulations

- The park is open dawn to dusk.
- Vehicles are permitted only in the designated parking areas.
- Stay within the posted property boundaries, and be considerate of other visitors and adjoining property owners.

Description of Trails

Hudson Highlands Gateway Park has four trails, totaling more than 4.9 miles that traverse the 352-acre site. There are many meandering, wooded roads where

one could easily get lost. Please stay on marked trails. The degree of difficulty for the hiking trails ranges from easy to moderate. Trail users should wear sturdy shoes and beware of loose rocks, holes and slippery surfaces.

(Red Trail)

Annisville Creek Trail 1 mile, approx. 1 hr.

This trail starts at Doris Lee Drive and is universally accessible to the Pond Overlook. It travels by Annisville Creek, which contains breeding trout populations. Fishing is allowed. A sensitive wetland area surrounds the creek.

(Blue Trail)

Upland Trail 2 miles

A steep ascent through a meadow and mixed woods forest brings visitors to a terrific view of the Hudson River. The remainder of the trail encompasses rolling terrain that passes by many historic stonewalls.

(Yellow Trail)

Hudson Overlook Spur 0.6 miles

Distinguished by its scenic overlook, this trail also crosses a small stream that is the outlet for a large wetland upslope.

(White Trail)

Vernal Pool Trail 1.6 miles

Beginning from the northernmost point of the Upland Trail, this trail works its way up and along a ridgeline. As it descends it passes by a large vernal pool, through a wetland and contains a number of steep slopes. Be cautious of wet surfaces. The trail finishes along an old woods road and rejoins the Upland Trail.

Your Valley, Your Voice, Your Future

We hope you enjoy visiting Hudson Highlands Gateway Park. This and other significant Hudson Valley landscapes are protected by the Scenic Hudson Land Trust with the support of the Lila Acheson and DeWitt Wallace Fund for the Hudson Highlands, created by the founders of Readers Digest Association, Inc. Scenic Hudson also gratefully acknowledges those who helped make this park a reality; Town of Cortlandt, Westchester County, New York-New Jersey Trail Conference, New York State and many dedicated individuals who donated their time, energy and financial support.

Scenic Hudson works to protect and restore the Hudson River and its majestic landscape as an irreplaceable national treasure and a vital resource for residents and visitors. A crusader for the valley since 1963, today they are the largest environmental group focused on the Hudson River Valley.
